The Rose
It is only a tiny rosebud...
A flower of God's design;
But I cannot unfold the petals
With these clumsy hands
of mine.

The secret of unfolding flowers
Is not known to such as I...
The flower God opens so sweetly
In my hands would fade and die.
I cannot unfold a rosebud
This flower of God's design
Then how can I think I
have wisdom
To unfold this life of thine.

You must trust in Him
for His leading
Each moment of every day;
And then look to Him for
His guidance
Each step of the pilgrim way.
For the Pathway that lies
before you;
The Heavenly Father knows
So trust Him to unfold
the moments
Just as He unfolds the Rose.

GIVE THE GIFT OF A LIFETIME

Parents and grandparents should consider using a permanent life policy to give life-long protection to the children in their lives. It is a smart way to give a child:

- A lifetime of insurance protection
- Potential dividends that could be used to buy additional paid-up insurance.
- Potential source of funds for college or other future needs with a policy loan.
