#### BLINDSPOT 7 p.m. on KXAS

A movie set becomes the surprising destination for the team members as they try to dismantle a terrorist scheme in the new episode "Adoring Suspect." Roman (Luke Mitchell) uses information he has on Jane (Jaimie Alexander) to manipulate Weller (Sullivan Stapleton). Rob Brown and Audrey Esparza also star.

#### JANE THE VIRGIN 8 p.m. on KDAF

A book tour becomes a bit too populated for Jane's (Gina Rodriguez) comfort in the new "Chapter Seventy-One," as both Xo and Alba (Andrea Navedo, Ivonne Coll) tag along with her. The situation devolves quickly, making all three women debate how to proceed. Minding Mateo in Jane's absence yields mixed results for Rafael and Rogelio (Justin Baldoni, Jaime Camil

#### THE EXORCIST 8:01 p.m. on KDFW

If you know the book or movie that inspired this series, you know how desperate the battle became between the demon the priests trying to drive it out. Tomas (Alfonso Herrera) is in a similar position in the new episode "Ritual & Repetition," as the effort to save Andy (John Cho) becomes critical. The entire island, including the children of the foster home, ends up imperiled.

### THE RAP GAME

#### 9:02 p.m., 1:03 a.m. on LIFE

The new episode "Catch Fire" finds Jermaine Dupri giving his young aspiring rappers the chance of their lifetimes: an opportunity to create a song with celebrated producer Zaytoven and then have their song broadcast on the radio. The biggest question that arises is whether Ricci and her alienating manager will finally shape up or wind up shipped out by Jermaine.

#### THE LIBRARIANS 7 p.m., 10:01 p.m. on TNT

The hit fantasy series returns for Season 4 with "And the Dark Secret," a new episode that finds Baird and Flynn (Rebecca Romijn, Noah Wyle) taking a big step to tether themselves to the library forever after a Season 3 that saw the eldritch facility literally at loose ends. Elsewhere this season, fans can expect to see Baird. Ezekiel. Cassandra and Stone (John Harlan Kim, Lindy Booth, Christian Kane) facing off against Santa's brother, the Patron Saint of Thieves.

#### DYNASTY 8 p.m. on KDAF

As already has been proven by this reboot of the serial, the holidays aren't necessarily joyous times for the Carringtons, and - just as its title suggests - the new episode "Rotten Things" underscores that. Another family member adds to the tension, since Blake (Grant Show) battles with his father (quest star Bill Smitrovich, "Life Goes On") for company control.

### HAPPY!

#### 9 p.m., 2:45 a.m. on SYFY

A new episode called "What Smiles Are For" finds the unpredictable Sax (Christopher Meloni) crashing an ultra-high-stakes poker game, where he hopes to win weapons and cash to facilitate his escape from New York, while Happy (voice of Patton Oswalt) tries his best to convince Sax that he's a father.

#### **GWEN STEFANI'S** YOU MAKE IT FEEL LIKE CHRISTMAS 8 p.m. on KXAS

Her voice has been missing from "The Voice" lately, but music superstar and three-time Grammy Award winner Gwen Stefani remains very much in business with NBC, as proven by her headlining of this new offering that offers many favorite songs of the season ... with her distinctive twists. Guests include Blake Shelton — the title star's significant other - as well as Seth MacFarlane, Chelsea Handler, Ne-Yo and former "Dr. Ken" star Ken Jeong.

#### BULL 8 p.m. on KTVT

A youngster (guest star Annabelle Wachtel) who wants to be emancipated from her parents seeks Bull's (Michael Weatherly) help in the new episode "Home for the Holidays." He gets more than he bargained for when he's court-ordered to be her guardian, at least for the time being. Marissa (Geneva Carr) is alarmed by what she finds out about her boyfriend (guest star Gary Wilmes). Freddy Rodriguez and Jaime Lee Kirchner also star.

#### NCIS: **NEW ORLEANS** 9 p.m. on KTVT

Former New Orleans mayor Hamilton (guest star Steven Weber) angles to get out of prison in the new episode "Mirror Mirror." but Pride (Scott Bakula) is determined not to let that happen. The NCIS team leader believes the key is to find the ex-politician's secret partner in larceny. Chelsea Field, Bakula's real-life wife, and Nina Lisandrello ("Beauty and the Beast") continue their recurring guest roles. Stacy Keach also guest stars.

## SATURDAY Prime Time

### **December 9, 2017**

#### MARY POPPINS 7 p.m. on WFAA

Julie Andrews received an Oscar for her portrayal of the practically perfect nanny who arrives mysteriously on the doorstep of the Banks household, then loosens up the stiff family with her magical charm. The charming 1964 Disney musical whose backstory was told in "Saving Mr. Banks" - features such well-known songs as "A Spoonful of Sugar" and "Chim Chim Cher-ee." Dick Van Dyke, David Tomlinson, Glynis Johns and Ed Wynn also star. "Mary Poppins Returns," starring Emily Blunt, will be released next year.

#### **DIRK GENTLY'S** HOLISTIC DETECTIVE AGENCY

#### 8 p.m., 11 p.m. on BBCA

The Mage (John Hannah) moves to put his endgame into play as Wendimooor falls into chaos in the new "Trouble Is Bad." His action puts both worlds in dire peril and forces Dirk's (Samuel Barnett) band of heroes to confront the villains who have been shadowing and harassing them all season. As Dirk struggles to fulfill the prophecy, Todd and Amanda (Elijah Wood, Hannah Marks) set aside their differences to help him. Jade Eshete and Tyler Labine also star.

#### CHRISTMAS ENCORE 8 p.m. on HMM

After years of struggle, aspiring New York actress Charlotte Lacy (Maggie Lawson, "Psych") finally gets a real break when she nails her audition for a new stage adaptation of "A Christmas Carol." Her lucky streak seems to continue when romance unexpectedly blooms with her director, TV star Julian Walker (Brennan Elliott). As opening night approaches, however, the historic theater in which they're due to perform loses its lease, which will mean closing the show, barring some miracle

#### THE WALKING DEAD

8 p.m., 10:28 p.m., 12:25 a.m., 1:52 a.m. on AMC

Fans generally have responded favorably to the new course Season 8 is taking, with Rick Grimes (Andrew Lincoln) and his allies reclaiming control of their destinies as they rebel against the evil Negan (Jeffrey Dean Morgan). The show goes on hiatus for a few weeks after tonight's mid-season finale, "How It's Gotta Be," in which multiple story lines intersect, violently in some cases.

#### **ENCORE!** 9 p.m. on WFAA

Though she may be known primarily for her television and movie acting, Kristen Bell whose latest projects have included "The Good Place" and "A Bad Moms Christmas" also possesses musical talents, as is known to any fan of the Disney film "Frozen." In this new special, she regathers the cast members of a high school musical (specifically, "Into the Woods") and has them stage it again 20 years later, as guided by Broadway professionals this time.

#### **SEARCH PARTY** 9 p.m., 10 p.m. on TBS

The first of tonight's new back-to-back episodes, "Denial" finds Dory (Alia Shawkat) making a risky move by dropping into Keith's funeral. Elsewhere, Drew (John Reynolds) tries to find out who left that sinister floral bouquet at his work, and Portia (Meredith Hagner) severs ties with her mother (guest star Christine Ebersole). Elliott (John Early), meanwhile, suffers through a group therapy session during rehab. Brandon Micheal Hall also stars.

## **Bastianich meets veterans who** turned farming in 'Lidia Celebrates **America: Homegrown Heroes'**

With the holiday season in full swing, Lidia Bastianich comes forth with a tribute to our troops that's as uplifting as any conventional Christmas special.

In "Lidia Celebrates America: Homegrown Heroes," airing Friday, Dec. 15, on PBS (check local listings), the chef, author and self-styled "food ambassador" travels across the country to places such as California, Kentucky, South Carolina, West Virginia and upstate New York to meet military veterans who have turned to farming after returning from active duty to help them assimilate back into civilian life. "One of the things that was amazing that came out in each one of them," Bastianich explains, "was the fact that they said, 'You know, we were in two, three, four deployments and we saw a lot of death and we saw a lot of destruction. And when we were there, that was our duty and we did it with all our heart, giving all of ourselves. But I'm interested now to see things regrow, the birth of new things."

"So it was amazing how these young men and women returning home, they feel comfortable returning .. literally to the land, to the dirt, and make it happen."

bor, teamwork, perseverance, seeing a mission through to its conclusion no matter how difficult - also apply to farming. Combined with the fact that farming also gives a sense of purpose to people who often exit the military without one, and it's easy to see that this is an ideal marriage

"They still give and in a sense nurture these people that they protected," Bastianich says of the veteran farmers, "and now they're back here home and they're still nurturing. They still have that need to take care of somebody.

### What book are you currently reading?

"It's an old book ... 'Lady Chatterley's Lover.' ... One of my friends gave it to me. ... So I just began on that one."

#### What did you have for dinner last night?

"I was in Kansas City at Lidia's Kansas City and we did a dinner for my latest book. ... And so we did a whole dinner from my book ... and one of the offerings was a turkey breast ... and I did it with an apricot squce. So I had a little bit of sliced turkey with apricot squce and I had acorn squash and I had some salad, a nice Caesar salad with kale."

#### What is your next project?

"I'm actually writing a memoir and the memoir is coming out in May, I think. ... It's all finished, so it's in the actual last editing."
