2018 WINTER OLYMPICS

7 p.m., 1 a.m. on KXAS

Mikaela Shiffrin is the youngest slalom champion in Olympic alpine history, winning Olympic gold in the women's slalom at Sochi in 2014 when she was only 18. Tonight she'll go up against fellow American Lindsey Vonn for a shot a medaling in the women's super-G in alpine skiing. Both Vonn and Shiffrin had their troubles with the super-G in Olympic qualifiers. Meanwhile, it's the finals in men's figure skating along with action in freestyle skiing and skeleton.

ZOMBIES

7 p.m., 9:15 p.m. on DISN

William Shakespeare's "Romeo and Juliet" has received countless adaptations over the years, but few as unconventional as this 2018 teen musical. Instead of Verona, the story is set in the idyllic suburb of Seabrook, where wholesomeness, uniformity and tradition hold sway - at least until students from nearby Zombietown integrate the high school. It takes an unlikely romance between zombie football star Zed (newcomer Milo Manheim) and human cheerleader Addison (Meg Donnelly, "American Housewife") to teach their classmates how to co-exist.

THE RAP GAME 9:02 p.m., 1:03 a.m. on LIFE

It's the week before the final performance, so JD lines up a press tour for the young rappers, including an interview with actress and singer Teyana Taylor ("The Breaks") in the new episode "The Press Got U Stressed." Meanwhile, Ricci still acts uncertain about what her musical "brand" should be, and Jordan seeks a balance between his humble personal roots and his flashy new professional persona.

2018 WINTER OLYMPICS

7 p.m., 11:30 p.m. on KXAS

It's the men's turn to light up the slopes as the slalom events highlight the evening in alpine skiing. The men's half-pipe is also on the freestyle skiing schedule tonight, as well as bobsledding and crosscountry skiing. Meanwhile, later on NBCSN, it's the women's gold medal hockey game, which regularly features teams from Canada and the U.S. Could Team Canada win a fifth straight gold medal?

NATURE 7 p.m. on KERA

If there's any question of the care that's taken with endangered species in certain cases, "The Last Rhino" supplies bountiful evidence. The last male northern white rhino certainly is well-protected, kept under an around-the-clock armed guard in a sanctuary in Kenya. How he came to be the last of his kind is considered during the hour, as are thoughts of the possible future of his kind — and the cost entailed in keeping him safe and alive.

THE MAGICIANS 8 p.m. on SYFY

Margo (Summer Bishil) makes a move that's either incredibly bold or, more likely, verging on the suicidal, an act that immediately puts the suspicious Fairy Queen (Candis Cayne) on her heels, in the new episode "Poached Eggs." Elsewhere, Quentin and Penny (Jason Ralph, Arjun Gupta) team up to undertake a quest to find a lost item of immense value.

2018 WINTER OLYMPICS

7 p.m., 1 a.m. on KXAS

Mikaela Shiffrin and Lindsey Vonn are both looking to add to their Olympic legacies and are sure to be two of the prominent athletes in tonight's women's downhill events in alpine skiing. Shiffrin is the youngest slalom champion in Olympic alpine history and the reigning World Cup and World Ski Champion in the slalom. Vonn, meanwhile, has become a household name. Figure skating, bobsled and snowboarding are also on the program.

WE'LL MEET AGAIN 7 p.m. on KERA

The new episode "Freedom Summer" reunites some of those who participated in America's civilrights movement at a particularly critical point. Host Ann Curry facilitates many-years-later meetings between two women who stood in the face of overt racism, and between another woman and the friend who prompted her dedication to social justice. As usual on this program, the reunions are at once nostalgic, deeply emotional and historically relevant.

KEVIN (PROBABLY) SAVES THE WORLD 9 p.m. on WFAA

Kristin (India de Beaufort) is enlisted by Kevin (Jason Ritter) to help him try to get Tyler's (Dustin Ybarra) friendship back in the new episode "Old Friends." The situation has an unexpected result as Kevin and Kristin get much closer. There's a fun aspect here for fans of the former series "Reaper" - which was produced by this show's Tara Butters and Michele Fazekas — as Bret Harrison and Tyler Labine reprise their roles from that show. Will Sasso and Lesley Boone also guest star.

2018 WINTER OLYMPICS

2 p.m. on KXAS Biathlon is all about control

as competitors must calm down after skiing great distances in order to be able to accurately shoot a rifle. A gold medal is on the line today in the women's 12.5K mass start. Team USA's Susan Dunklee, who won silver at the 2017 World championships, is the only U.S. bi-athlete to medal in an Olympics or a World Championship biathlon competition. Also, the men's aerials will be featured in freestyle skiing.

BLACKISH 8 p.m. on WFAA

The news that Dre's (Anthony Anderson) godbrother is about to be let out of prison causes mixed reactions within the family in "Please Don't Feed the Animals." The resulting conversation prompts Ruby (Jenifer Lewis) to reveal that she also was behind bars at one point, sparking the children's curiosity about what the exact circumstances were. Tracee Ellis Ross, Laurence Fishburne, Yara Shahidi and Marcus Scribner also star. Another episode follows.

FALLING WATER

9 p.m., 12:01 a.m. on USA

Sabine (Brittany Allen), the older sister of Tess (Lizzie Brochere), begins to show symptoms that suggest she is falling apart in a new episode called "Love Is a Dreamer." Meanwhile, Taka and Alex (Will Yun Lee, Sepideh Moafi) pay a visit to Shadowman's family, and Burton (David Ajala) struggles with his increasing guilt. Bennett puts out a contract on Woody (Kai Lennox).

2018 WINTER OLYMPICS

7 p.m., 12 a.m. on KXAS

Ice dancing continues to take center stage in the figure skating competition with medals being awarded following the final. It's also the final runs in the two-man bobsled tournament where Canada and the U.S. both look for strong finishes and Olympic glory. The women's halfpipe will also be featured in freestyle skiing. Later tonight on NBCSN, the elimination rounds of the men's hockey tournament take place.

2018 AMERICAN RESCUE DOG SHOW

BY GEORGE DICKIE

Hannah Hart wants to do 'more and better'

In the span of about seven years, Hannah Hart has built herself into something of a cottage

She's created the popular foodie series "My Drunk Kitchen" and her channel MyHarto on YouTube, written two books, produced a movie and several TV shows, racked up about a dozen acting credits and launched her Food Network series "I Hart Food," in which she explores the signature foods and flavors of various U.S. cities.

But ask her what stands out from Season 1 of that show and she'll tell you every moment does – with one perhaps ranking higher than others.

"A memorable moment includes running into George R.R. Martin, the author of 'Game of Thrones,' inside a Tecolote (Café), which was crazy," she says. "We were shooting breakfast and then George R.R. Martin's in there and he was kind enough to jump in the show with us because he wanted to talk about how much he loves Santa Fe. So that was just wild."

In that episode, which airs as an encore telecast Wednesday, Feb. 21, on Cooking Channel, she takes viewers to the New Mexico capital to check out its culinary scene, which is dominated by the chili pepper. Red or green, it seems everyone there has a strong opinion on these spicy hot delicacies, a topic Hart dove into with enthusiasm.

"I'm all about the Scoville scale. I'm a pepper person. ... I've been known to dabble," she says. "There is a huge debate in Santa Fe about red versus green. Some people prefer red

green sauce, some people love the chili pepper in all of its forms. And the chef we had that day was just so knowledgeable and so passionate about the cuisine that he was just a sheer delight to talk to."

What book are you currently

" 'Steppenwolf' by Hermann Hesse. I've never read it and I'm reading it."

What did you have for dinner

"We had pesto pasta with really good veggie sausage that my partner's really into. And we're not vegetarians or anything, but I do like to try out all the different styles of meat and nonmeat, just because I'm curious about foods in general."

What is your next project?

"You know how people always say you've got to strike while the iron's hot? Well for me, I want to make the iron hot by continually striking and so when I think about my next project I just think about continually striking. I feel really great about everything I've made so far and I just want to do more and

When was your last vacation, where and why?

"I think it was summer of 2017, I went to Tulum (Mexico) and it was lovely ... the ambiance of being by the ocean and trying to re-energize for the year."
