Donald Glover's comedy set in Georgia's capital city was one of the big success stories of 2016, earning across-the-board critical acclaim, not to mention multiple Emmy and Golder Globe Awards. Now it returns for a somewhat belated sophomore session, which takes its season subtitle, "Robbin' Season," from an Atlanta slang term for the period leading up to Christmas, when domestic robberies and thefts of presents left unattended on porches rise sharply. Glover, Lakeith Stan field and most of the Season regulars return.

#### **2018 WINTER OLYMPICS**

7 p.m., 12 a.m. on KXAS

Four-man bobsledding remains one of the most popular Olympic events and the heats get underway tonight. The Russians would be defending their gold at Sochi in 2014 but that medal has been stripped, leaving the U.S., who won gold at Vancouver in 2010 and bronze at Sochi, as the reigning champs. Big air events in snowboarding, the team finals in alpine skiing and speed skating events add to an exciting evening of Olympics coverage.

#### GREAT **PERFORMANCES** 8 p.m. on KERA

If you didn't know the AARP's magazine gave annual film honors, this first-ever telecast of the Movies for Grownups Awards may come as a revelation. Now in its 17th year, the event — taped earlier in the month in Beverly Hills, Calif. — is hosted by Alan Cumming ("The Good Wife") and includes a career achievement award for Helen Mirren. The nominees for best picture (a.k.a. "best movie for grownups") are "Get Out," "Lady Bird," "Star Wars: The Last Jedi," "The Shape of Water" and "Three Billboards Outside Ebbing, Missouri."

#### THE RAP GAME

9:02 p.m., 1:03 a.m. on LIFE

This season's crop of young rappers may have gotten off to a rough start, but the season finale, "There Can Be Only One," shows that they have developed into distinctive artists. Now it's time for a final performance that will require them to apply everything they've learned over the past 12 weeks if they're going to convince JD they deserve to be signed by his label, So So Def — and there's just one chain and one contract to be awarded.

# tonight's PICKS

THE X-FILES 7 p.m. on KDFW

Series veteran Glen Morgan directed the new episode "Rm9sb-G93ZXJz," a title that helps to make the story sound as "Mr. Robot"-like as possible. The tale apparently pits Mulder and Scully (David Duchovny, Gillian Anderson) against a form of artificial intelligence, which certainly echoes the other series, and the situation eventually threatens to turn lethal for the longtime investigative partners. Mitch Pileggi also stars.

#### THE MAGICIANS

8 p.m. on Smoms. Greg (Diedrich Bader) is concerned with another contest — a chili cook-off — and when he seeks the help of Taylor's )Meg Donnelly) boyfriend in getting the family recipe ready, she isn't pleased.

#### GLAM MASTERS 9:02 p.m., 10:02 p.m., 1:03

a.m., 2:03 a.m. on LIFE Each separate episode of this new reality competition series from executive producer Kim Kardashian West puts a different quartet of beauty influencers and makeup artists through a series of themed challenges for host and judge Laverne Cox, celebrity makeup maven Mario Dedivanovic, YouTube personality Kandee Johnson and Marie Claire fashion editor Zanna Roberts Rassi. In the series premiere, "Made You Look," the contestants must avoid a makeup meltdown while creating a hot trend, summon their sinful side and then get "dolled up."

#### **WE'LL MEET** AGAIN 7 p.m. on KERA

Host and executive producer Ann Curry's series, driven by years-later reunions of people who met under specific and historic circumstances, concludes its season with "Coming Out" bringing back together several individuals who were active in the gay-rights movement at its birth. One man wants to find the person who inspired him to his acknowledge his orientation to others, while another man looks for the fellow student who motivated him in a similar way.

#### AMERICAN CREED 8 p.m. on KERA

The meaning of being American, particularly in troubled times, is the basis for writer-producer-director Sam Ball's new documentary. Former Secretary of State Condoleezza Rice and historian David M. Kennedy are among the participants who offer views on the current status of ideals such as opportunity and equality in the United States, illustrated by the stories of other individuals who are pursuing their own goals while also looking at a bigger picture. They include an elementaryschool principal and a Marine sergeant.

#### **BLACK LIGHTNING** 8 p.m. on KDAF

Jefferson (Cress Williams) is determined to find his father's killer in the new episode "Three Sevens: The Book of Thunder." The newly powerful Anissa (Nafessa Williams) tries to use her abilities to set something right. Gambi (James Remar) desperately needs Lynn's (Christine Adams) help. China Anne McClain, Damon Gupton and Marvin Jones III also star.

#### **NOTES FROM** THE FIELD

7 p.m., 3:10 a.m. on HBO

Actress and storyteller Anna Deavere Smith brings her critically acclaimed Off-Broadway one-woman show about America's failed justice system to a much wider audience in this new TV adaptation, which finds Smith portraying an entire gallery of diverse characters. Among them: deli worker Kevin Moore, who caught the Freddie Gray beating on video, and Bree Newsome, the activist who climbed a South Carolina flagpole to remove a Confederate flag from statehouse grounds. Jazz bassist Marcus Shelby provides musical accompaniment.

#### **FRAMED** BY MY FIANCÉ

7 p.m., 11:01 p.m. on LIFE

On the verge of becoming a state judge, Daniel (Jason Shane Scott) puts his career first when he's involved in a serious car crash and moves his fiancee, Jenny (Katrina Bowden), behind the wheel to suggest she was driving. Later, at the hospital, Jenny is horrified to learn the other driver has died, so she's being charged with vehicular manslaughter. As she fights to prove her innocence, Daniel will stop at nothing to conceal his own guilt in this 2017 thriller.

# **FALLING WATER**

9 p.m., 12:01 a.m. on USA

Tess (Lizzie Brochere) helps Barton (David Ajala) confront his past, while Shadowman (Dru Viergever) somehow stays a step ahead of Alex and Taka (Sepideh Moafi, Will Yun Lee) in the new episode "Nothing Personal." Bill Boerg (Zak Orth) takes a moment to remember his lost sister, and Woody (Kai Lennox) agrees to help bring down billionaire investor Taylor Bennett.

#### IZOMBIE 8 p.m. on KDAF

Brains are still where it's at for Liv (Rose McIver) as the fourth season of the macabre horror-adventure-comedy series begins with "Are You Ready for Some Zombies?" Our heroine undoubtedly is ready as she continues to ingest the grey matter of murder victims to determine who wanted them gone - and to secure justice for them in her very particular way. In this tale, the deceased was a huge fan of the Seattle Seahawks. Co-stars Malcolm Goodwin, Rahul Kohli, David Anders and Aly Michalka also return.

#### LIVING **BIBLICALLY** 8:30 p.m. on KTVT

Executive-produced by Johnny Galecki ("The Big Bang Theory"), this new comedy has a title that can be taken quite literally, since the premiere shows the central character (played by "The Real O'Neals" alum Jay R. Ferguson) trying to use the lessons of the Bible to navigate contemporary life. He quickly finds that's not always easy, as good as his — and the Good Book's — intentions are. The "Pilot" also stars seriestelevision veterans Ian Gomez ("Cougar Town"), David Krumholtz ("NUMB3RS") and Camryn Manheim ("The Practice").

Brad Keselowski got his first win of the 2017 racing season in its second race, the Folds of Honor QuikTrip 500 at Atlanta Motor Speedway in Hampton, Georgia. In fact, this is Atlanta's only race on the NASCAR Racing Monster Energy Cup Series circuit. Keselowski comes off a fourth place finish in last season's point standings and hopes for another solid run at Atlanta's 1.54-mile quad oval which, in one form or another, has been hosting races since 1960.

Is Carl (Chandler Riggs) really dead, or at least dying? That question is likely to be foremost in the minds of this show's fans as season 8 resumes with the show's winter premiere, "Honor." In the midseason finale, they saw Rick's (Andrew Lincoln) son bitten by one of the walkers, which generally signals imminent death. And it's not as if Rick doesn't have enough on his plate already: His attack on Negan (Jeffrey Dean Morgan) was a bust that left devastation in its aftermath.

# Gordon Ramsay welcomes back 'Mr. Nasty' as Fox's 'MasterChef Junior' opens Season 6

Season 6 of Fox's "MasterChef Junior" brings back Gordon Ramsay and Christina Tosi as judges for more culinary adventures with the younger set, joined by a fan favorite who's been missing from the panel for the past two seasons: restaurateur, author and TV personality Joe Bastianich.

"Mr. Nasty is back," Ramsay says with a laugh. "Joe is an amazing mentor ... . It's a welcome return, let me tell you. And also, we butt heads. So I'm the cook, he's the waiter, he carries my food and we butt heads, which I think is healthy."

As the new season opens Friday, March 2, Ramsay, Tosi and Bastianich continue to watch, listen, advise and console as kids ages 8 to 13 showcase their culinary talents and passion for food through a series of challenges, this time in a boys versus girls format, with the winner receiving the MasterChef Junior trophy and a \$100,000 grand prize.

Over the five-plus seasons of "MasterChef Junior," Ramsay has noticed that the boys and girls on the show share some traits with their older counterparts, such the tendency among the males to aggressively plow ahead into challenges and the girls' penchant for standing back and considering their next move. He gives both genders of the younger set high grades for creativity and thinking outside the box, more so in fact than their older counterparts.

"Not only thinking out of the box," he says, "but they see that combination where a young sort of
