7 p.m. on FREE

Still plagued by relentless and disturbing nightmares, Holden (Burkely Duffield) finds it increasingly difficult to maintain control of his powers while he is at work in the new episode "No Es Bueno." Jeff (Jeff Pierre), meanwhile, is furious to discover that Pastor Ian (Chad Willett) and Helping Hands are trying to get close to Christine (Parveen Kaur), and Luke (Jonathan Whitesell) catches himself about to slide back into a bad habit.

CHICAGO FIRE 9 p.m. on KXAS

After coming across some important new information, Dawson and Casey (Monica Raymund, Jesse Spencer) redouble their efforts to discover Bria's (guest star Quinn Cooke) whereabouts in the new episode "Slamigan." Meanwhile, Severide (Taylor Kinney) reconnects with Chief Grissom (guest star Gary Cole) and an old family friend. Elsewhere, Cruz (Joe Minoso) turns to Brett and Mouch (Kara Killmer, Christian Stolte) to help him create a new tool. Daniel Di Tomasso also guest stars.

tonight's PICKS

MACGYVER 7 p.m. on KTVT

Another sliver of Jack's (George Eads) eventful past surfaces when the team heads to New Orleans to catch a con artist (guest star Amy Smart), who is trying to pass herself off as the wife of one Duke Jacoby, an alias Jack used to use, in the new episode "Mardi Gras Beads & Chair." Complications begin to snowball, however, when her gambit leads to some of "Duke's" old enemies turning up looking for revenge. Garrett Morris ("2 Broke Girls") also guest stars; Lucas Till, Tristin Mays and Meredith Eaton also star.

REAL TIME WITH BILL MAHER

9 p.m., 11:30 p.m. on HBO

Progressive political gadfly Bill Maher returns from a two-month break to begin his 16th season of analyzing current political events from a wry satirical perspective. Certainly he won't be lacking for either topics or targets, as he gets up to speed on that GOP tax plan that passed while he was away or the ongoing FBI investigation into possible collusion between Donald Trump's 2016 presidential campaign and Russian officials, including president Vladimir Putin.

HIGH MAINTENANCE 10 p.m., 12:30 a.m. on HBO

This sly, character-driven comedy returns with fresh slices of New York life as perceived by The Guy (Ben Sinclair), a pot-dealing deliveryman. In the Season 2 premiere, "Globo," the troubling state of world affairs means a sharp increase in demand for his services. The morning after a hookup, two hotel guests enjoy a carefree day, oblivious to what's going on outside their door. A client's roommate (Joshua Schubart) tries not to let his worries drive him to break his diet.

WACO 9 p.m., 10 p.m., 12 a.m. on SPIKE

Michael Shannon and Taylor Kitsch share top billing for this new limited series (simulcast on CMT), which chronicles the events leading up to and during the 51-day standoff in 1993 between the Branch Davidian religious sect led by David Koresh (Kitsch) in the titular Texas town and federal officers from the FBI and the Bureau of Alcohol, Tobacco and Firearms, supervised by FBI negotiator Gary Noesner (Shannon). The large cast also includes Melissa Benoist, John Leguizamo, Andrea Riseborough, Rory Culkin and Camryn Manheim.

HAPPY!

9 p.m. on SYFY

Finally back together as a team, Sax and Happy (Christopher Meloni, voice of Patton Oswalt) make a last, desperate push to rescue Sax's kidnapped daughter, Hailey (Bryce Lorenzo), in a new episode called "The Destroyer of Worlds." Elsewhere, Hailey's mom, Amanda (Medina Senghore), chases a perilous lead all by herself, while Blue and Isabella (Ritchie Coster, Debi Mazar) clash violently over a dark family secret.

Waxahachie Daily Light

WE'LL MEET AGAIN 7 p.m. on KERA

Ann Curry hosts this new sixepisode docu-series devoted to presenting moments in history as recounted by "ordinary" people whose stories have gone untold until now. Each episode also reunites the storyteller with those who were there to share the same moment. The series premiere introduces Reiko, a Japanese-American woman who as a child in 1942 was sent to an internment camp. More than 70 years later, she seeks a reunion with an American classmate who stood by her during this painful trauma.

BELLEVUE 9 p.m., 10 p.m., 12 a.m. on WGNA

Anna Paquin stars in this haunting Canadian mystery series set in a small blue-collar town filled with folks who think of themselves as real salt-of-the-earth types, who regard police detective Annie Ryder (Paquin) as something of a black sheep. After a transgender teenager goes missing, Annie tries to unravel that disappearance, which suggests foul play. Meanwhile, she deals with the return of someone from her past. Shawn Doyle, Billy MacLellan and Allen Leech ("Downton Abbey") also star.

CHICAGO MED 9:01 p.m. on KXAS

Dr. Choi (Brian Tee) feels helpless when a woman suffering from severe anorexia rebuffs his attempts to treat her in the new episode "Lemons and Lemonade." After being suspended for two weeks, Dr. Reese (Rachel DiPillo) faces a test from Dr. Charles (Oliver Platt) as soon as she returns, while Dr. Rhodes (Colin Donnell) appears in court when one of his patients is forcibly transferred. Will (Nick Gehlfuss) is determined to win over Natalie's (Torrey DeVitto) little boy.

COCAINE GODMOTH-ER: THE GRISELDA BLANCO STORY

7 p.m., 11:01 p.m. on LIFE

Academy Award winner Catherine Zeta Jones ("Chicago") takes the title role in this new 2017 docudrama based on the career of the woman who became a pioneer in the Miami-based cocaine trade. Shortly after arriving in that Florida city with her first husband (Carlos Rodriguez), Griselda soon entered the local drug trade, using beautiful women, the elderly and children as mules to import Colombian cocaine. A documentary on the same subject follows.

PLANET EARTH: BLUE PLANET II

8 p.m., 11:30 p.m. on BBCA

The next installment in BBC America's Emmy-winning "Planet Earth" series, which premieres simultaneously across such other AMC Networks as AMC. IFC. WE tv and SundanceTV, takes viewers on a revelatory journey into the world of our planet's oceans, still the most undiscovered places on Earth. Four years in the making, the show is presented by Sir David Attenborough and involved 125 expeditions to 39 countries, with filming on every continent and across every ocean.

ONE WINTER WEEK-END

8 p.m. on HALL

Tired of her current job as a relationship columnist at a women's magazine, Cara Huntley (Taylor Cole) jumps at the opportunity when her editor agrees to let her turn her experiences on a snowboarding weekend with a friend (Rukiya Bernard, "Van Helsing") into a piece for the publication. When a reservations mix-up forces the women to share a chalet with two male quests (Jack Turner, Dewshane Williams), romance takes its usual course in this new 2018 TV movie.

MOSAIC

7 p.m., 10 p.m. on HBO

Sharon Stone stars in Steven Soderbergh's new fivenight, six-hour limited series, which airs nightly through Friday. The actress plays celebrated author Olivia Lake, who attends an annual fundraiser in support of Mosaic, an art workshop for young people. At that event, aspiring artist Joel (Garrett Hedlund) catches her eye, moving Olivia to decide she'll mentor the handsome younger man and even offer him lodging and a work space in her home. Michael Cerveris and Frederick Weller also star in the series premiere, "Meet Olivia Lake."

THE ALIENIST 8 p.m. on TBS; 8 p.m., 9:01 p.m., 2:02 a.m. on TNT

Adapted from Caleb Carr's best-selling psychological thriller, this new eight-episode series has its official premiere tonight, after a preview on Sunday. The story is set in 1896, as New York during the Gilded Age is rocked by gruesome murders targeting boy prostitutes. Newly appointed police commissioner Teddy Roosevelt (Brian Geraghty) calls upon criminal psychologist Dr. Laszlo Kreisler (Daniel Bruhl) to help track this serial killer. Luke Evans and Dakota Fanning also star in the series, which is simulcast tonight on TBS.

24TH ANNUAL SCREEN ACTORS GUILD AWARDS 7 p.m. on TBS; 7 p.m., 10:15 p.m. on TNT

Kristen Bell ("The Good Place") becomes the first designated host of this ceremony in its 24-year history for tonight's telecast, which also airs simultaneously on sister channel TBS. Oscar-winning veteran actor Morgan Freeman receives the 2018 SAG Life Achievement Award during the proceedings. Among the film categories, the nominees in the packed category for outstanding fe-male actor in a leading role include Judi Dench, Sally Hawkins, Frances McDormand, Margot Robbie and Saoirse Ronan.

THE RESIDENT 9 p.m. on KDFW

In a season that already has reaffirmed how potent and popular a drama series about doctors can be, this new addition — normally to be seen Mondays — follows several young medics as they train for their careers. The ensemble cast includes Matt Czuchry ("The Good Wife"), Emily VanCamp ("Revenge") and Melina Kanakaredes ("CSI: NY"), and there's also impressive pedigree behind the camera: Filmmaker Philip Noyce ("Patriot Games"), who directed the pilot, also is among the executive producers.

9 p.m., 10:30 p.m., 11:30 p.m. on HBO

In the new episode "Happy Now?," Frances (Sarah Jessica Parker) realizes she has to deal with her daughter Lila's (Sterling Jerins) glaringly obvious resentment toward her. Things are looking slightly more rosy for Robert (Thomas Haden Church), whose buddies all urge him to get back in the dating game. He reconnects with Janice (Gillian Vigman), who very obligingly tries to help him live out a cherished fantasy.

Zimmern keeps it local in the Season 12 premiere of 'Bizarre Foods'

In his decade-plus of producing programming for Travel Channel, Andrew Zimmern has traveled to more than 170 countries to sample unusual and exotic dishes, take in the culture and meet the people. But in the Season 12 premiere of "Bizarre Foods" on Tuesday, Jan. 23, he finds inspiration in his own backyard – on Minnesota's Paul Bunyan Trail.

"I live in Minnesota," Zimmern explains, "and I want to tell as many stories about Minnesota as I can. I believe that human beings are meant to grow where they're planted and obviously we all know the most about the places where we live. And the Paul Bunyan Trail in Northern Minnesota is one that's never really been explored outside of a handful of very small documentaries that have never been seen. So I wanted to show people what the folks in Northern Minnesota looked like and how they lived and what they are."

On the 120-mile system of former logging trails converted for recreational use, Zimmern takes viewers along as he learns more about the larger-than-life logger and his faithful blue ox Babe, participates in a lumberjack contest, visits a horseradish festival and tries such local creations as muskrat with gravy

Like We Do.

("deliciously mild and porky," he says), bear pastrami, duck stew and crayfish at a crayfish boil.

Yes, good-size crayfish are plentiful in Minnesota lakes and are even considered an invasive species, brought there by boats and fishermen. At restaurants and markets, however, they're looked on as a local delicacy that is difficult to find at a reasonable price outside of Minnesota and

What book are you currently reading?

"It's sitting on my bedside table. It's Hemingway and I just started it, 'The Sun Also Rises.'"

What did you have for dinner last night?

"I came back from five days of Christmas food insanity with my family, so I ordered sushi from my local take-away."

What is your next project?

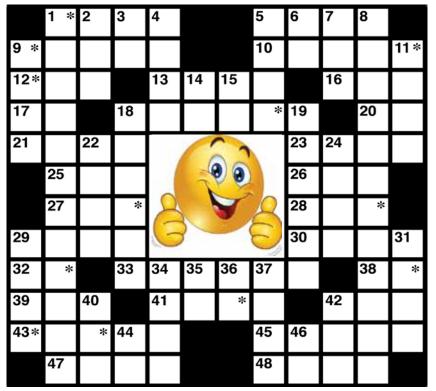

"We're working on selling the first Andrew Zimmern cookbook that we sort of purposely waited about 10 years to put out there. ... Super Bowl is in our face. I'm on the host committee and the food committee and we're doing a ton of activations here during Super Bowl weekend, so that's something that's really dominating everything we're doing. And my production company, Intuitive Content, is working on some big, new shows for summer and fall 2018, so that's always chugging away.
