MASTERCHEF 7 p.m. on KDFW

Eggs Benedict is a treat for many people, but the remaining young chefs don't necessarily see it that way - since they have to make as much of it as they can in 15 minutes — in the new two-hour offering "Junior Edition: Crackin' Under Pressure/Junior Edition: A Can Do Attitude." Later, they have to use chocolate in dishes, with a big reward awaiting the winner: a golden apron. Gordon Ramsay (also the host), Christina Tosi and Joe Bastianich are the judges.

HAWAII FIVE-0 8 p.m. on KTVT

Chris Vance ("Supergirl") reprises his guest role as international sleuth Harry Langford in the new episode "Ahuwale ka nane huna" (Hawaiian for "The Answer to the Riddle is Seen"). He's looking for a young member of British royalty (guest star Alana Boden) who slipped away while he was guarding her, and he seeks help from McGarrett and Danny (Alex O'Loughlin, Scott Caan). Other members of Five-0 use a long-outdated videotape to try to solve a decades-old murder. Jorge Garcia also stars.

HARRY STYLES AT THE BBC

8 p.m. on BBCA

In tonight's one-hour special, singer and former First Edition band member Harry Styles performs tracks from his eponymous debut album as a solo artist, as well as classic covers, backed up by his band. He also talks about his already remarkable music career, his personal life to date and his big-screen acting debut in the critically acclaimed Christopher Nolan film "Dunkirk."

THE BLACKLIST 7 p.m. on KXAS

The mysterious bag of bones inspires a collision course between Liz and Red (Megan Boone, James Spader) in the new episode "lan Garvey (13): Conclusion." Each has their own agenda for finding out all they can about that hotly pursued duffel bag, and those priorities are destined to conflict.

SUITS

8 p.m., 11:04 p.m. on USA

Longtime "Suits" fans may want to set aside some Kleenex for the two back-to-back episodes that close out Season 7, starting with "Tiny Violin," which finds Harvey and Louis (Gabriel Macht, Rick Hoffman) caught off guard by an attack on their firm. Elsewhere, Mike (Patrick J. Adams) feels compelled to help his friends at the clinic when they're overwhelmed by a class action suit. The season finale, "Good-Bye," marks a departure for Mike and Rachel (Meghan Markle).

CODE BLACK 9 p.m. on KTVT

The fast-paced medical drama begins its third season — again with some casting changes, which its producers explain reflects the true nature of emergency rooms, where staffing switches aren't uncommon. In the aptly titled "Third Year," Leanne (Marcia Gay Harden) tries to adopt Ariel (Emily Alyn Lind), while Willis (Rob Lowe) changes career gears to work in the field with paramedic Rox (new series co-star Moon Bloodgood).

SHADOWHUNTERS 7 p.m. on FREE

Clary (Katherine McNamara) joins forces with Magnus (Harry Shum Jr.) to get to the bottom of a recent demon attack in the new episode "A Window Into an Empty Room." Elsewhere, Simon (Alberto Rosende) is stunned when he receives a visit from someone he never thought he would see again — and now, apparently, is in no hurry to leave. Meanwhile, Izzy (Emeraude Toubia) is nervous about joining her family for dinner with a special guest. Anna Hopkins guest stars.

THE 100 8 p.m. on KDAF

The adventure-drama series begins its fifth season with "Eden," which finds Clarke (Eliza Taylor) very much on her own on a ravaged, extremely grim Earth. Her allies in space have it somewhat better, since they discover something that gives them genuine hope for the future. Bob Morley, Paige Turco, Henry Ian Cusick, Marie Avgeropoulos, Lindsey Morgan, Richard Harmon, Chris Larkin and Tasya Teles also star.

DECEPTION 9 p.m. on WFAA

12

"Sacrifice 99 to Fool One" — the opening hour of a new two-part story — puts Jonathan Black (Jack Cutmore-Scott) on the trail of his abducted twin brother Cameron, whose gifts as an illusionist become major factors in the Mystery Woman's criminal plans. The tale concludes in the show's regular time slot Sunday, April 29. Ilfenesh Hadera, Lenora Crichlow, Amaury Nolasco, Justin Chon, Laila Robins and Vinnie Jones also star.

RANSOM 7 p.m. on KTVT

A supposed diamond seller turns out not to be that, but instead, a CIA operative — and she's kidnapped in Vienna during a family trip in the new episode "Secrets and Spies." Eric and Oliver (Luke Roberts, Brandon Jay McLaren) try to locate her and recover her safely. The mission arises just as Oliver is giving thought to taking another job. Zoie Palmer, Dwayne Murphy and Jordana Blake guest star. Sarah Greene and Nazneen Contractor also star.

WAR FOR THE PLANET OF THE APES

7 p.m., 12 a.m. on HBO

Two years after Koba's (Toby Kebbell) attack against human survivors in San Francisco, Caesar (Andy Serkis) and his tribe of intelligent apes find themselves pitted against a rogue U.S. military faction known as Alpha-Omega in this critically praised 2017 entry in the enduring sci-fi movie franchise. This film earned nearly half a billion dollars at the global box office and received an Oscar nod for its visual effects. Steve Zahn, Karin Konoval, Terry Notary and Ty Olsson also star.

NCIS

8 p.m. on KTVT

The team got a new member in "Skeleton Crew," with Maria Bello ("ER") joining the cast as Jacqueline "Jack" Sloane, a forensic psychologist brought to headquarters by longtime acquaintance Vance (Rocky Carroll, who also directed this story). Her arrival vexes Gibbs (Mark Harmon), since she's the only person on his team who doesn't answer to him, but she proves helpful in probing a sailor's abduction. Gates McFadden ("Star Trek: The Next Generation") guest stars.

Then, in the finale "Commitment," Rachel questions her future with the show after getting a thrilling offer from Serena and making a shocking discovery about Dr. Simon (Brandon Jay McLaren).

'Rawvana' shows how it can be cool to be vegan

Yovana Mendoza wants you to try raw/vegan and she's created a YouTube channel to tell

Available in English and Spanish, the San Diego native's "Rawvana" channel endeavors to help viewers along on their "own transformation of body, mind, and spirit," offering up more than 400 videos on topics ranging from self help and day-to-day living to fitness and diet.

A health coach with certificates in raw food nutrition, Mendoza's site is packed with recipes she's developed over the last three years that use only plant-based proteins and ingredients, dishes such as vegan chilaquiles, pizza, burritos, tamales, key lime pie, cheese cake and even a Thanksgiving dinner; a detox salad and Nutella ice cream. And a whole lot more.

She began her vegan journey five years ago when she gave up animal proteins, quit drinking and smoking and started on a two-week vegan detox program. Within three days, she felt a difference in her overall well-being and within two months, she felt so good that she decided she wasn't going back to her old ways. "Rawyana" is her way of sharing her discovery with

"I was actually 100 percent raw vegan for the first three years of my vegan journey," she explains. "So raw foods for me are just the most cleansing and detoxifying foods out there. They're very nourishing. I feel great on them and that's actually how I got into veganism. And then after three years I began to eat some cooked, and so many of my followers would ask me about just more vegan cooked meals because for them it was obviously a lot easier to do. And once I started to eat cooked, I began to share that with my audience as well."

And the benefits of eating raw/vegan, Mendoza says, are many, which for her included more energy, better sleep, clarity of mind, better digestion and a feeling of peace.

"Also, my skin cleared

blemishes all the time and

when I started eating raw

foods, my skin really cleared

As for advice on how to

get started, Mendoza says,

Don't judge it. If you want to

open mind. Educate yourself on the subject, so watch videos, follow people, get inspiration,

"And have a plan to follow," she continues. "So that's why my programs are great for beginners, because I really tell them exactly what they need to do. And I have a lot of videos, actually, where I show people how to meal prep and many people do it and they have great benefits as well.
