Be it enacted by the Legislature of the County of Yates as follows:

### Section 1: Findings

The Legislature of the County of Yates finds that the use of tobacco, nicotine, or other like substances on real

property and vehicles owned or leased by the County of Yates should be prohibited in order to:

A. Protect the public health, safety and general welfare by eliminating exposure to secondhand smoke and residue produced as the result of the use of tobacco, nicotine, and other like substances;

B. Acknowledge the need of nonsmokers, especially children, to breath smoke-free air, recognizing the danger to public health which secondhand smoke causes;

C. Recognize that the need to breath air free of the disease-causing toxins in secondhand smoke should have priority over the desire and convenience of Tobacco-Use on real property or vehicles owned or leased by the County of Yates;

D. Recognize the right and benefit to municipal residents and visitors to be free from unwelcome secondhand smoke and residue from tobacco, nicotine, and other like substances while on real property or in a vehicle owned or leased by the County of Yates;

E. Encourage and will support the cessation of tobacco use by all persons to promote longevity and reduce disease and its costs to society.

### Section 2: Definitions

### Section 3: Prohibition

Use of tobacco, nicotine, or other like substances shall be prohibited upon all real property and vehicles owned or leased by the County of Yates. ### Section 5: Posting of Signs

"TOBACCO, NICOTINE, OR OTHER LIKE SUBSTANCES USE IS PROHIBITED" or "NO USE OF TOBACCO, NICOTINE, OR OTHER LIKE SUBSTANCES" signs, using the international symbols (where possible) shall be prominently and conspicuously posted upon the entrance to all real property and vehicles where tobacco, nicotine, or other like substances use is regulated by this Local Law. Such signs shall be protected from tampering, damage, removal or concealment.

### Section 6: Violations and Penalties

It shall be unlawful for any person to use tobacco, nicotine or other like substances in any area where such use is prohibited by the provisions of this Local Law.

### Section 7: Enforcement

A. For the purposes of this Local Law the term "enforcement officer" shall mean the Yates County Legislature or its designee. The enforcement officer may cause to have issued and served upon the person complained against a written notice, together with a copy of the complaint made against him, which shall specify the provision of the Local Law of which such person is said to be in violation and a statement of the manner in which that person is said to violate it and shall require the person so complained against to answer the charges of such complaint at a public hearing before the Legislature or its designated hearing officer at a time not less than fifteen (15) days after the date of service of the notice.

B. The Legislature may serve, together with a copy of the complaint, a stipulation to the person complained against. The stipulation offer shall allow the person complained against to enter into a stipulation under the terms and conditions as set forth in the stipulation offer. The person complained against shall have the option of entering into the stipulation or proceeding with a formal hearing.

C. If the enforcement officer determines after a hearing that a violation of this Local law has occurred, a civil penalty may be imposed by the enforcement officer pursuant to Section 6 of this Local Law. Nothing herein shall be construed to prohibit an enforcement officer from commencing a proceeding for injunction relief to compel compliance with this Local Law.

D. Any person who desires to register a complaint under this Local Law may do so with any appropriate County official.

E. The decision of any hearing officer shall be reviewable pursuant to Article seventy-eight of the Civil Practice Law and Rules.

F. The enforcement officer, subsequent to any final determination, may bring an action to recover the civil penalty provided in Section 6 of this Local Law.

G. In addition to the above penalties, County employees in violation of this policy may be subject to appropriate disciplinary procedures to be determined by their supervisor and in accordance with all applicable Civil Service Rules and Contract language.
