### **NFL FOOTBALL** 7:15 p.m. on KXAS

It's the NFL Kickoff Game, featuring the Atlanta Falcons visiting the reigning Super Bowl champion Philadelphia Eagles in a rematch of last year's divisional playoff. With Carson Wentz on the sideline, backup QB Nick Foles and a stingy Eagles defense thwarted a late fourth quarter Atlanta drive at the twoyard line, sealing a 15-10 victory. Foles and the Eagle offense would later find their groove in the NFC Championship game as well as the Super Bowl.

### THE GIFTED 8 p.m. on KDFW

In "eXploited," Jace (Cy Bell) has no choice but to give something to Dr. Campbell (quest star Garret Dillahunt) that could seal the fates of others. The other mutants can't agree on what their next move should be, so Reed and Caitlin (Stephen Moyer, Amy Acker) go rogue.

#### **SNOWFALL** 9 p.m., 10 p.m., 12 a.m. on FX

Franklin (Damson Idris) is forced to take extreme measures when his disgruntled crew approaches the point of mutiny in the new episode "Surrender." Elsewhere, a stressed-out Teddy (Carter Hudson) makes a trip back east, while Lucia and Gustavo (Emily Rios, Sergio Peris-Mencheta) manage to secure a deal that may just save their lives.

### **MASTERS OF** ILLUSION

7 p.m. on KDAF

Host Dean Cain welcomes magicians Joseph Gabriel, Ed Alonzo, Andi Gladwin, Joel Meyers, Chris Korn, Joshua Jay and Jason Bishop for a new episode called "The Mind Freaks and the Million Dollar Trick." As usual, these illusionists entertain their studio audience with a diverse array of acts, some pleasantly confounding, others comical. Another episode follows.

### **DINERS, DRIVE-**INS AND DIVES

8 p.m., 11 p.m. on FOOD

"Far East Flavorfest" is both the title and the goal of host Guy Fieri's culinary quest as he goes in search of tastes of Asia and the Pacific islands. A funky little chicken spot in Seattle is celebrated for the Asian spin it puts on its poultry dishes, while on the big island of Hawaii, Guy makes a point of checking out a family-run eatery specializing in Thai delights. In Chicago, a modern Korean restaurant does inspired things with its spicedup wings and a unique twist on poutine.

### **KILLJOYS** 9 p.m. on SYFY

With D'avin (Luke Macfarlane) temporarily out of the picture, it falls to Dutch and John (Hannah John-Kamen, Aaron Ashmore) to follow the hidden pulsar in Khlyen's (Rob Stewart) frustratingly enigmatic story in the new episode "O Mother, Where Art Thou?." Eventually, their quest leads them to discover a completely unexpected past, including some crucial insights into the identity and motives of the elusive assassin. Kelly McCormack also stars.

BROADCAST

### NATURE 7 p.m. on KERA

Teamwork is encouraged frequently — and not only among humans, as "Nature's Perfect Partners" underscores. It examines surprising collaborations among animals that enable different species to survive, and even thrive, through their unlikely partnerships.

### THE REAL HOUSEWIVES OF **NEW YORK CITY** 7 p.m., 9 p.m., 10:30 p.m. on BRAVO

Bethenny and Carole continue to trade shots about the implosion of their friendship as the latest gathering of the cast members wraps up in the new "Reunion Part 3." As the group recalls their tension-filled journey to Colombia, Carole reviews what she sees as the highs and lows of the past season, and Tinsley takes issue with Carole's assessment of their friendship. Sonja rehashes her own issues with some in the group, then each member shares her biggest regrets from Season 10.

#### **MODERN FAMILY** 8 p.m. on WFAA

Oscar winner Mira Sorvino guest stars as Haley's (Sarah Hyland) boss, whose desire for a product with a certain taste prompts Haley to try to broker a deal for Gloria's (Sofia Vergara) salsa, in "CHiPs and Salsa." Cam (Eric Stonestreet) gets a long-desired police ride-along.

#### **MODEL SQUAD** 7 p.m., 11 p.m. on E! This new fashion docu-

series, which is launching with a two-week premiere event in conjunction with the start of New York Fashion Week, follows nine in-demand supermodels Daniela Braga, Olivia Culpo, Hannah Ferguson, Ping Hue, Nadine Leopold, Caroline Lowe, Ashley Moore, Shanina Shaik and Devin Windsor — as they prepare for the fall fashion season. That means trying to juggle romantic relationships and friendships with the occasional hardships that come with working in their cutthroat field.

#### THE BOBBY **BROWN STORY** 8 p.m., 10:30 p.m. on BET

Woody McClain and Tyler Marcel Williams, who played the adult Bobby Brown and his younger self in the hot 2017 miniseries "The New Edition Story," reprise their double act for this two-part follow-up, which zeroes in on the legendary R&B group's most tabloid-ready member. Brown's offstage behavior stole the spotlight from his colleagues, but he paid a steep price for that fame. Gabrielle Dennis also stars as Whitney Houston; the large ensemble also features Mekhi Phifer, Laz Alonso and Lil Rel Howery. Part 2 airs Wednesday.

### MAYANS M.C. 9 p.m., 10:30 p.m., 12 a.m. on FX

Series co-creator Kurt Sutter set this new series in the same fictional world as his earlier acclaimed "Sons of Anarchy," although this companion series takes place two and a half years after the events on "Sons" and deals with a Latino group of bikers on the California-Mexico border. At the story's center is Ezekiel"EZ" Reyes (J.D. Pardo), a recent prison parolee who is considering joining the Mayans motorcycle club. Edward James Olmos, Jacqueline Obradors, Clayton Cardenas and Sarah Bolger also star.

### THE YOUNG AND THE RESTLESS 11:30 a.m. on KTVT

At a time when the oncethriving genre of soap operas has become an endangered species, the residents of the fictional Genoa City continue to satisfy their fan base ... as proven by the fact that the weekday drama begins its 46th (!) season here. That may not make the show young, but its characters certainly remain restless — and some have been around for the bulk of the show's run, with such veterans as Eric Braeden, Melody Thomas Scott, Peter Bergman and Sharon Case still playing their roles.

#### **BETTER CALL** SAUL

### 8 p.m., 10:21 p.m. on AMC

In the new episode "Quite a Ride," Jimmy (Bob Odenkirk) is hopeful that he finally has identified a new market for his distinctive — if unconventional - talents. Elsewhere, Mike (Jonathan Banks) checks out the background of a potential partner, while Kim (Rhea Seehorn) proves herself capable of driving a hard bargain.

### **ELEMENTARY** 9 p.m. on KTVT

A woman's disappearance becomes of more critical concern to Holmes (Jonny Lee Miller) when his math-wizard friend (guest star Rich Sommer) is accused of having orchestrated the vanishing in the new episode "The Geek Interpreter."

### MARRIED TO MEDICINE

7 p.m., 8 p.m., 10:30 p.m., 1:32 a.m. on BRAVO

As this unscripted series returns for Season 6, Dr. Jackie and Curtis are rebuilding their marriage as they hunt for their ideal home together, while Dr. Simone and Cecil likewise are in a better place, having taken the divorce papers off the table. Toya and Eugene look forward to celebrating their 10th anniversary, having put their ugly tax issues behind them. Dr. Heavenly's dental practice is booming, but she's also seeking help from an anger management therapist.

### THE MUMMY 7:05 p.m. on HBO

Tom Cruise totally owned the 2018 summer box office with his mega-blockbuster "Mission: Impossible — Fallout," but just a year earlier he suffered a painful belly flop with this failed attempt to reboot a Universal Pictures horror movie franchise. Cruise stars as a soldier who accidentally disturbs the ancient tomb of a cursed Egyptian princess (Sofia Boutella). Critics savaged the film, noting that it simply wasn't much fun, and while it earned more than \$400 million at the global box office, it failed to recoup its massive budget.

### WORST COOKS IN AMERICA

8 p.m., 11 p.m. on FOOD

The recruits are challenged to shake off any food-related phobias in a new episode called "The Ick Factor," starting with a game designed to expand their palates with some unusual ingredients. Then, for the main dish challenge, they must surrender their shudders to handle some intimidating sea creatures, harvesting ink to make fresh squid ink pastas. Anne Burrell and Robert Irvine are the team leaders.

You may, from time to time, have found yourself wondering "If 'The Strain' were a wine, Fred Armisen's just-concluded parody of life in Portland, Ore., can still partake in its wine, how might it taste?"

someone got the idea. But it likely would have been something that goes well paired with steak tartare. An unassuming little cab franc, perhaps?

However, a quick scan of the internet reveals a surprising number of wines and wine collections inspired by favorite shows and networks that are available for purchase online right now, some of which are listed below.

"Saturday Night Live" (www.lot18.com/saturdaynightlive): Online retailer Lot18 offers up four blends based on favorite characters from the long-running sketch comedy series, among them The Californians Monterey County Merlot, Debbie Downer South Eastern Australia Chardonnay and Stefon Beaujolais. There is also a mixed case of wines that celebrate "four decades of spot-on humor and exhilarating performances."

"MasterChef" (www.lot18.com/masterchef): There are no clever names or gimmicks in this collection inspired by the Gordon Ramsay culinary competition series, just individual bottles, trios, full and half cases of specially crafted cabernet, rose and pinot grigio suitable to go with dinner cooked in your own kitchen – and preferably without the pressure or

namely the Weirdo Rogue Valley Syrah, the 2015 Brunch Village Willamette Valley Pinot Well, luckily we never had to learn the answer to that question, as the show ended before Gris and the 2016 Women and Women First Willamette Valley Pinot Noir, which its website says is suitable to "sip with your latest collection of feminist essays." "The Walking Dead" (www.lot18.com/thewalkingdead): Fans of the wildly popular AMC series can buy individual bottles, trios, full and half cases of whites and reds

dedicated to Rick, Daryl and Negan, as well as the "Ladies of the Walking Dead" collection with Carol, Michonne and Maggie.

TCM Wine Club (tcmwineclub.com): Turner Classic Movies offers up interesting

Wine Club ID (wineclubid. com): Investigation Discovery gets into the wine game with ID-inspired wines such as the 2015 My, My, My Merlot (for "Homicide Hunter's" Joe Kenda), the 2016 The Perfect Accomplice Sauvignon Blanc and the 2015 A Wine To Remember Red Blend, for "A Crime to Remember."
