CAUGHT ON CAMERA WITH NICK CANNON

7 p.m. on KXAS

If anything has a lens and you're in front of it, be careful: You could end up on this show. The series that compiles video from various sources starts a new season with "Wild Weather," as "America's Got Talent" host Cannon introduces footage culled from personal phones, camcorders (yes, those still exist) and security cameras. The tones range from amusing to alarming, and it's a good bet most people would rather be on the "funny" end of that scale. (Season Premiere) (N)

HAWAII FIVE-0 8 p.m. on KTVT

The search for a serial killer backfires on McGarrett and Alicia (Alex O'Loughlin, guest star Claire Forlani) in the new episode "Hu a'e ke ahi lanakila a Kamaile" (Hawaiian for "The Fire of Kamile Rises in Triumph). He finds them first and kidnaps them, putting the rest of Five-0 in a desperate race against time to locate and rescue them. NFL veteran Otis Wilson (playing himself), Elisabeth Rohm and Ingo Rademacher ("General Hospital") also guest star. (N)

BLUE BLOODS 9 p.m. on KTVT

Formerly Danny's (Donnie Wahlberg) boss and now one of Frank's (Tom Selleck) right-hand men, Lt. Gormley (Robert Clohessy) becomes a crime victim himself in the new episode "Mob Rules." After Gormley is attacked by a group outside his home, Erin's (Bridget Moynahan) investigator Anthony (Steve Schirripa) — who also has ties to that neighborhood — probes the situation. Tony Award winner Cady Huffman ("The Producers") guest stars as Gormley's wife. (N)

tonight's PICKS

JOY 7 p.m., 10:35 p.m. on HBO

Director and screenwriter David O. Russell reteamed with his good-luck charm, actress Jennifer Lawrence, for this overlong yet generally well-received 2015 biographical comedy-drama about self-made millionaire and entrepreneur Joy Mangano, who invented the Miracle Mop. Lawrence won a Golden Globe Award and snagged an Oscar nod for her performance; Robert De Niro, Diane Ladd, Virginia Madsen, Isabella Rossellini and Bradley Cooper also are featured. (Premiere) ©

PUMPKIN PIE WARS 8 p.m. on HALL

A decade ago, two former BFFs, Faye McArthy and Lydia Harper (Michele Scarabelli, Jennifer-Juniper Angeli) had a bitter falling-out during a pumpkin pie contest in their Ohio hometown. Now bitter rivals, the women opened competing bakeries, and they expect their adult children, Casey and Sam (Julie Gonzalo, Eric Aragon), to carry that professional feud into this year's contest. Things get complicated, however, when the young folks fall in love in this 2016 romance. (Premiere) ©©

THE SIMPSONS 7 p.m. on KDFW

An annual, seasonal tradition also marks the animated comedy's 600th episode - a stunning number for any series to reach — as the "Treehouse of Horror XXVII" holds to form by placing the Simpsons in several scary-funny vignettes. A drought in Springfield prompts a "Hunger Games"-like competition; Lisa's (voice of Yeardley Smith) imaginary best friend turns lethal; and Bart (voice of Nancy Cartwright) is clued into some unlikely spies. (N) HD CC (DVS)

THE WALKING DEAD

8 p.m., 10:05 p.m. on AMC

Fans of this hit horror series hardly need to be reminded how Season 6 ended — namely, with the villainous Negan (Jeffrey Dean Morgan) taking a lethallooking swing with his baseball bat, Lucille — but tonight's special two-hour episode, "The Journey So Far," provides a helpful big-picture recap of how events reached this point, in advance of the Oct. 23 premiere of Season 7. (N) ©

ELEMENTARY 9 p.m. on KTVT

Holmes (Jonny Lee Miller) is forced into a case when a street-gang leader kidnaps him and compels him to find out who ordered an attack on the gang's members in the new episode "Worth Several Cities." Along with Watson (Lucy Liu), Holmes eventually ends up seeking a very valuable artifact. Shinwell (Nelsan Ellis) asks a favor of Watson. Jon Huertas, also appearing currently on "This Is Us," and Ron Rifkin ("Alias") guest star. Aidan Quinn also stars. (N) HD CC

BY GEORGE DICKIE

Hart has a good time drinking and cooking on 'My Drunk Kitchen'

Hannah Hart, host of the YouTube hit "My Drunk Kitchen," readily admits she's not a chef, she's not much of a drinker and the recipes she prepares on the show, well, they're probably not hers.

But that's not the point of the series, which has taken upward of 9 million views since she made her first show on a lark in March 2011. The idea, the 29-year-old, comic, actress, author and web personality says, is to have fun in the kitchen and bring the viewer along for

"In the house party of life, I always find myself in the kitchen," Hart explains. "It's the room I feel most comfortable in and I like being in the kitchen, especially if you're at a house party and everybody is drinking and dancing and you want some quiet time and you just want to like talk to somebody and have a conversation without shouting. Usually in the kitchen is where you find it."

A typical "Drunk Kitchen" episode runs five to seven minutes and captures Hart in the kitchen of her Los Angeles-area apartment, preparing dishes ranging from crepes, beer brats and deviled eggs to sriracha chicken, eggplant parmesan and even a Thanksgiving turkey. She shoots the videos alone - no camera or lights people required - and her talk to the camera is pure improv. Each video, she says, usually takes one hour to shoot and four

Occasionally a friend will stop by and Hart may press them into duty, on or off screen. There also will be the odd celebrity guest, which in the past have included Sarah Silverman, Mary-Louise Parker, Lance Bass, Jamie Oliver and, this past summer, Seth Rogen, with whom she did a sausage party to promote his movie "Sausage Party."

And then of course, there is the drinking. Hart admits an affinity for single malt scotch but on camera her beverage of choice is wine

or a vodka soda. In her videos, Hart appears a bit tipsy and silly but certainly not out-of-

"I like to say about 'My Drunk Kitchen' I'm always exactly as drunk as I seem," she says, "and so there are some episodes where I was like, 'hotchy motchy!' and there are some episodes where like I'm just having a good time. I'm a lightweight so it really doesn't take much."

What book are you currently reading?

"My answer is twofold. I just finished reading the final draft of my second book. I'm just going over it one more time. That's called 'Buffering: Unshared Tales of a Life Fully Loaded.' That's more of a memoir of my life and how it's gotten to this point. ... But the other book I just finished reading is '10 Percent Happier' by Dan Harris, which is just a great book."

What did you have for dinner last night?

"To be honest, I think I just had bread and

What is your next project?

"Currently, I'm working on ... a TV show for Food Network, and promoting my new book 'Buffering' later this fall."

When was your last vacation, where and why?

"It's hard to say 'vacation.' I took a weekend, I took four days and I went to Maui and I made a couple of videos while I was there. It was definitely amazing and awesome. But I just have a really hard time not making something, just because I love to create. But yeah, four days in Maui and it was the best."

tonight's PICKS

THE ODD COUPLE 8:30 p.m. on KTVT

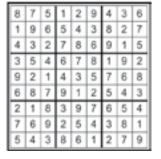

The reboot of the comedy series based on Neil Simon's play opens its third season with "London Calling," as Felix (Thomas Lennon) drives Oscar and Charlotte (Matthew Perry, Teri Hatcher) to distraction as he awaits Emily's (Lindsay Sloane) return. The latter's thought of staying overseas longer threatens Oscar's plan to make up for a missed romantic anniversary by enlisting music's Boyz II Men (appearing as themselves). (Season Premiere) (N)

SCORPION 9 p.m. on KTVT

Walter (Elyes Gabel) and his comrades get caught up in the search for one of Ralph's (Riley B. Smith) classmates, who vanishes after crossing paths with a lethal criminal, in the new episode "Little Boy Lost." Toby's (Eddie Kaye Thomas) interest in the identity of Happy's (Jadyn Wong) husband starts to bear fruit. (N)

TIMELESS 9:01 p.m. on KXAS

If you were or are a fan of Frank Sinatra and Dean Martin's so-called "Rat Pack," you're virtually guaranteed to enjoy the new episode "Atomic City," set in the early-1960s era when those entertainers ruled Las Vegas. Lucy, Wyatt and Rufus (Abigail Spencer, Matt Lanter, Malcolm Barrett) travel there when Flynn (Goran Visnjic) makes a potentially dangerous connection. (N)

tonight's PICKS

THE FLASH 7 p.m. on KDAF

The new episode "Magenta" is named for an enemy (played by guest star Joey King, "Fargo") with the ability to manipulate metal — making for a lot of potential makeshift weapons. Her arrival coincides with the return of the Earth-2 Wells and Jesse (Tom Cavanagh, guest star Violett Beane), who may require the help of Barry and Caitlin (Grant Gustin, Danielle Panabaker) ... whether the newly speedy Jesse knows it or not. Jesse L. Martin also stars. (N)

SCREAM QUEENS 8:01 p.m. on KDFW

The Green Meanie has struck again, prompting Munsch, Hester and Denise (Jamie Lee Curtis, Lea Michele, guest star Niecy Nash) to formulate a plan to find the murderer in the new episode "Halloween Blues." Their idea is to throw a seasonal party at the hospital, echoing the site's eerie history. Chanel (Emma Roberts) takes another approach by trying to communicate with the most recent victim. However, another killing is on the horizon. John Stamos also stars. (N) HD CC (DVS)

MR. RIGHT 9 p.m. on HBO

Max Landis ("Dirk Gently's Holistic Detective Agency") wrote the screenplay for this uneven 2015 romantic comedy, which stars Anna Kendrick as Martha, a young woman who is understandably flummoxed when she discovers that her boy beau, Francis (Sam Rockwell), is actually a professional assassin. It could be worse, though: Francis always kills the shady people who hire him, not their intended targets. Tim Roth, Anson Mount and Michael Eklund also star. (Premiere) CC

LETHAL WEAPON 7 p.m. on KDFW

The case of a former Navy SEAL suspected of a crime eventually helps Murtaugh (Damon Wayans Sr.) understand Riggs (Clayne Crawford) better in the new episode "Spilt Milk." Riggs has a direct link to the fellow military veteran, leading him to reveal more about his own past to Murtaugh as the investigation proceeds. Richard Cabral ("American Crime") continues his guest role. Kevin Rahm, Jordana Brewster and Keesha Sharp also star. (N) CC (DVS)

PRESIDENTIAL DEBATE

8 p.m. on KDFW, KXAS, WFAA, KTVT, KERA

With the election only a few weeks away, candidates Hillary Clinton and Donald Trump engage — in multiple senses of that word — in the last of their three debates, as Chris Wallace of Fox News moderates at the University of Nevada in Las Vegas. This being the contenders' final slated meeting before America votes, the stakes clearly are high. Multiple broadcast and cable networks will cover the event, scheduled to be staged as six 15-minute segments on single topics. (N) HD (Live) CC

The original film's Tim Curry narrates. Ben Vereen also stars. (N) ID CC (DVS)
