THE VAMPIRE DIARIES

7 p.m. on KDAF

The eighth — and final — season of the series opens with "Hello, Brother," resuming the saga months from where it left off, as Stefan (Paul Wesley) continues to seek Damon and Enzo (lan Somerhalder, Michael Malarkey). Bonnie (Kat Graham) tries to maintain hope that the search will be successful. Caroline and Alaric (Candice King, Matt Davis) fear they and their family are in danger. Executive producers Julie Plec and Kevin Williamson wrote the script. (Season Premiere) (N)

THE EXORCIST 8:01 p.m. on KDFW

What the show's title has implied is coming finally begins in the new "Chapter Five: Through My Most Grievous Fault," as Father Tomas and Father Marcus (Alfonso Herrera, Ben Daniels) start the exorcism ... just as a huge storm hits Chicago. However, the demon proves to be braced for their effort to drive him out, demonstrated through the targeting of other members of the Rance family. Geena Davis, Alan Ruck, Brianne Howey and Hannah Kasulka also star. (N)

BLUE BLOODS 9 p.m. on KTVT

Erin and Anthony (Bridget Moynahan, guest star Steven R. Schirripa) do everything they can think of to keep prominent community activist Coryna Garza (guest star Judy Reyes, "Devious Maids") from being deported, even though the woman is not a U.S. citizen. Elsewhere, (Tom Selleck) faces a tough decision as he ponders whether the NYPD should participate in a high-profile raid by U.S. Marshals on a local gang in the new episode "For the Community." Eric Murray and Brian Tarantina also guest star. (N) HD CC (DVS)

MACGYVER 7 p.m. on KTVT

Jack's (George Eads) exgirlfriend (guest star Amy Acker, "Person of Interest"), who worked with him while he was in the CIA, is the object of the mission in "Metal Saw." Still with that agency, she vanished in Venezuela while trying to end an arms dealer's activities — so Jack, MacGyver (Lucas Till) and their comrades go there to find her. Sandine Holt, Justin Hires and Tristin Mays also star.

IDENTITY THIEF 7:30 p.m. on KXAS

Their styles differ, but Jason Bateman and Melissa Mc-Carthy make for a reasonably amusing pairing in this 2013 comedy, containing a sufficient amount of the raunchy humor both have become associated with. McCarthy plays the title thief, whose lifting of a Denver businessman's (Bateman) identity prompts him to travel to Florida to find her, bring her back and get his situation corrected. Others are on their trail, though. Amanda Peet and Robert Patrick are among co-stars. (Premiere) HD CC

RATS

8 p.m., 10:05 p.m. on DISC

Robert Sullivan's best-seller "Rats: Observations on the History & Habitat of the City's Most Unwanted Inhabitants" inspired Morgan Spurlock's 2016 documentary, which chronicles a history of rat infestations in major cities throughout the world. The film probably is not for the squeamish: "We're going to take audiences to places they've never been, to experience 'Rats' in a way they've never imagined," the filmmaker says. "It's going to be dark, strange and incredible." (Premiere) CC

ONCE UPON A TIME

7 p.m. on WFAA

There's a lot of Aladdin (guest star Deniz Akdeniz) in the new episode "Street Rats," as his effort to help Princess Jasmine (guest star Karen David) vanquish Jafar (guest star Oded Fehr) leads to the Cave of Wonders. The resulting trouble draws in Regina (Lana Parrilla) and others. The Evil Queen (also played by Parrilla) uses Emma (Jennifer Morrison) as a pawn in a scheme against the Charmings, Raphael Sbarge also guest stars as Jiminy Cricket. (N)

THE WALKING DEAD

8 p.m., 10:35 p.m., 12:10 a.m., 3:15 a.m. on AMC

If you thought the long-awaited return of this series would somehow include a fake-out, that one of the familiar characters hadn't gotten a fatal kiss from a baseball bat called Lucille, think again. There reportedly is, indeed, a death in the opening of tonight's Season 7 premiere, and it's going to hurt for a lot of fans, as Negan (Jeffrey Dean Morgan), the formidable new archvillain, gives the survivors a violent look at the fate of anyone who does not bend to his will. THE LAST MAN ON EARTH

8:30 p.m. on KDFW

Gail (Mary Steenburgen) finds herself absolutely pushed to her breaking point during a post-apocalyptic (what else?) road trip that has everyone at one another's throats in the new episode "Five Hoda Kotbs." Will Forte, Kristen Schaal, January Jones, Mel Rodriguez and Cleopatra Coleman round out the cast. (N)

The strip mall is the place to eat for Ludo Lefebvre on 'The Mind of a Chef'

Like many a successful immigrant, French-born and -trained chef Ludo Lefebvre loves his adopted homeland, in his case Los Angeles.

He owns five area restaurants there with a sixth on the way, created the pop-up dining concept LudoBites and the food truck LudoTruck, and is generally credited with carrying the flag for the fine-dining experience in SoCal. He's certainly made his mark in the L.A. Basin and for the next few episodes, he invites viewers into his restaurants, his world and his thinking in Season 5 of "The Mind of a Chef," airing Thursdays on PBS (check local listings).

The 45-year-old Lefebvre has seen much change in his 20 years as an Angelino, watching a restaurant scene that was based largely in French and Italian cuisine to one more influenced by Korean, Thai, Vietnamese and Indonesian flavors. And he has changed with it, moving away from French ingredients and toward Asian.

And like a good Angelino, he knows that a lot of fine dining can be found in strip malls. He has two side by side in a strip mall in Los Angeles, Trois Mec and Petit Trois, the latter of which is the setting for this week's episode.

"For me it was less pressure to open a restaurant in a strip mall because I can do whatever I want in a little restaurant like this," he says. "Even if I decide to do ... for example, a Mexican restaurant tomorrow, I can do it because it's low cost. It's a small place, the costs are smaller and it gives you a lot of freedom to change if you want.

"You know, when you have a big restaurant you can't change just like this, a whole concept," he continues in his

thick French accent. "So for me to be in a strip mall, it was more about freedom, express myself the way I want and ... also less pressure financially. ... I don't need to spend \$2 million and I don't want to do that."

For Lefebvre, the strip mall is also representative of the L.A. lifestyle that he now so enthusiastically embraces.

"The strip mall – that's Los Angeles, California," he says. "You know, we have a lot of strip malls here and I love it because I know it's not Paris but at least in my strip mall I know I can walk. I love it. I can walk and get my donuts, to my cleaner, I go to get my pedicure and manicure. I like it. You know, it's life happening in the strip mall and I like that."

What book are you currently reading?

"I just got this very, very old cookbook yesterday, 'The Greens Cookbook.' It's a book from Deborah Madison. ... it's a very, very old cookbook from I think the '80s. It's pretty interesting what they did at that time with vegetables."

What did you have for dinner last night?

"For dinner last night, I ate at the restaurant and actually I got an omelet with mushrooms."

What is your next project?

"My next project is to open a restaurant in Sherman Oaks, where I live. It's going to be a very classic French restaurant. I have a very classic French restaurant called Petit Trois. And now I'm opening another Petit Trois in a different location in Sherman Oaks, in the (San Fernando) Valley, where I live."

tonight's PICKS

GOTHAM 7 p.m. on KDFW

Jim (Ben McKenzie) is forced to make some tough decisions when Mad Hatter (Benedict Samuel) decides on his next victims in the new episode "Mad City: Follow the White Rabbit," which also sees an evolution in the relationship between Penguin and Nygma (Robin Lord Taylor, Cory Michael Smith). Speaking of the latter, a familiar face comes back into his life. Donal Logue, David Mazouz and Morena Baccarin also star; Kieran Mulcare guest stars. (N) HD CC (DVS)

MAN WITH A PLAN 7:30 p.m. on KTVT

Following the end of "Episodes," Matt LeBlanc gets back to a more traditional form of television comedy with this saga of a contractor whose wife ("Yes, Dear" alum Liza Snyder) rejoins the work force, making him a "Mr. Mom." Initially, he's overwhelmed in trying to tend to their three kids - but he eventually gets a grip on the situation and makes it clear who's the boss, even if it takes frequent reminders. Kevin Nealon also stars as LeBlanc's older brother. (Series Premiere) (N) HD CC

2016 WORLD SERIES 7 p.m. on KDFW

The Fall Classic returns as the 112th World Series begins on Fox where the American League team will have home field advantage and host Games 1 and 2. That was decided by the 2016 All-Star Game in July, which was won by the AL. Last year the Kansas City Royals took care of the New York Mets in five games as the series extended into November, as it could this year if it goes at least six games. Joe Buck is among those calling the action. (N) HD (Live) ©

THIS IS US 8 p.m. on KXAS

Moving back in time, the new episode "The Game Plan" - which reveals the history behind the family's passionate support of the Pittsburgh Steelers — finds the childless Jack and Rebecca (Milo Ventimiglia, Mandy Moore) debating the prospect of starting a family. Kevin (Justin Hartley), meanwhile, discovers that the script for his part in the play is relevant to his own life, and Beth and Randall (Susan Kelechi Watkins, Sterling K. Brown) confront an unexpected turn of events. (N) HD CC

AFTERMATH 9 p.m. on SYFY

After she gratefully accepts some help from an old friend, Karen (Anne Heche) is haunted by an eerie, persistent harbinger of death in a new episode called "A Clatter and a Chatter." Gradually, the Copelands are forced to realize that no refuge is truly safe in these desperate times. James Tupper, Levi Meaden, Taylor Hickson and Julia Sarah Stone also star. (N) ©

A new episode called "Penance" finds Oliver (Stephen Amell) and Lyla (guest star Audrey Marie Anderson) teaming up to carry out a secret mission for Diggle (David Ramsey). When she finds out about this gambit, a thoroughly disapproving Felicity (Emily Bett Rickards) elects to stay behind at mission control. That's where she is when Tobias Church (guest star Chad L. THE GREAT INDOORS

Famously droll British actor-comedian Stephen Fry plays the magazine's founder, with Susannah Fielding as his daughter ... McHale's ex-girlfriend and immediate boss. (Series Premiere) (N) HD CC
