## 7 p.m. on KXAS

The title of this new yuletidethemed episode is "A Christmas Carol Wendelson," but the Charles Dickens classic gets cleverly turned on its head in a story that finds Andrea Martin's maternal character absolutely overflowing with Christmas spirit. Unfortunately, this anti-Scrooge shtick is driving her office colleagues right up the wall. Meanwhile, Chuck's (John Michael Higgins) estranged son, Petey (guest star Will Sasso), unexpectedly drops by the office, inspiring Katie (Briga Heelen) to try for a father-son reconciliation. Another new episode follows.

## STREET JUSTICE: THE BRONX

9 p.m., 12 a.m. on ID

Detective Ralph Friedman is called in to oversee a rescue operation after Ana Comancho. a young mother, is abducted from her own apartment in broad daylight in the new episode "Hunting Grounds." He soon realizes that may be easier said than done, once Friedman and his partner discover the perpetrator behind the kidnapping is a member of the most feared gang in the South Bronx. Learning the whereabouts of their headquarters is only a first step in a dangerous gambit.

### **December 15, 2017**

### BLINDSPOT 7 p.m. on KXAS

Who can you trust? The question is a big one for the team in the new episode "Fix My Present Havoc," as uncertainty within the FBI causes them to act secretly, with Jane and Weller's (Jaimie Alexander, Sullivan Stapleton) apartment as their base of operations. A doctor (guest star Jessica Hecht) attracts their interest and concern. Mary Stuart Masterson and Trieste Kelly Dunn resume their guest roles, and David Morse also guest stars.

# DON'T BE TARDY... 8 p.m., 9:30 p.m. on BRAVO

In the new episode "I Do Take Two," the Biermanns appear to be all set to renew their vows in Turks and Caicos, seven years to the day that Kim first caught a look at Kroy's formidable backside. The occasion is threatened on two fronts, though, when a vital dress goes missing and Brielle's mood swings throw a damper on her mother's high spirits.

### MARVEL'S AGENTS OF S.H.I.E.L.D.

### 8:01 p.m. on WFAA

The team has been in the clutches of enemies before without really knowing it, but in the new episode "A Life Earned," they determine what their latest captors want — and the fact that they're all in outer space is a notable factor. That substantially limits the heroes' opportunities for escape. Guest stars include Pruitt Taylor Vince and Rya Kihlstedt. Clark Gregg, Ming-Na Wen, Chloe Bennet, Elizabeth Henstridge and lain De Caestecker star.

### I WANT A DOG FOR CHRISTMAS, **CHARLIE BROWN!** 7 p.m. on WFAA

Nothing can replace the classic "A Charlie Brown Christmas," but this animated special — first shown in 2003 — reunites the updated Peanuts gang with the yuletide season. Linus and Lucy's little brother, ReRun, needs stress relief. He goes to Snoopy for attention and fun, but the canine has plans that don't include the boy. Voice talents include Jimmy Bennett, Adam Taylor Gordon and Bill Melendez.

### TEN DAYS IN THE **VALLEY**

8 p.m. on WFAA

As this drama series resumes, Jane's (Kyra Sedgwick) personal crisis may lead her to make some professional changes in the new episode "Day 5: Back to Ones." If it means recovering Lake (Abigail Pniowsky), she's ready to alter the finale of her show-within-theshow. Tom (Josh Randall) may use an unwitting Pete (Kick Gurry) as the subject of a potentially career-changing story. Emily Kinney and Currie Graham continue their guest roles. Adewale Akinnuoye-Agbaje and Erika Christensen also star. Another episode follows.

### **DIRK GENTLY'S** HOLISTIC **DETECTIVE AGENCY**

8 p.m., 11 p.m. on BBCA

In the Season 2 finale, "Nice Jacket," Dirk (Samuel Barnett) risks his freedom in order to fulfill the prophecy and restore order by returning to the corridors of Blackwing, where all the insanity began. Meanwhile, siblings Todd and Amanda Brotzman (Elijah Wood, Hannah Marks) find themselves in a terrifying confrontation with the villainous (and certifiably nuts) Suzie Boreton (Amanda Walsh, "Curb Your Enthusiasm").

### THE VOICE 7 p.m. on KXAS

It's nearly all over but the shouting (in tomorrow night's Season 13 finale), but first the four finalists will try to give the performance of their lives in tonight's live show for judge and mentors Jennifer Hudson, Miley Cyrus, Adam Levine and Blake Shelton, as well as the audience at home, who are voting as well. The results will be revealed in Tuesday's show, another live hour that's preceded by a live recap of these final performances, plus some special guests.

### **GUNPOWDER** 9 p.m. on HBO

Kit Harington ("Game of Thrones") is both the star and an executive producer on this three-night historical miniseries (airing through Wednesday) which chronicles a failed 1605 Catholic plot to murder the Protestant King James I of England (Derek Riddell) by blowing up the House of Lords at the opening of Parliament. The conspirators are led by Robert Catesby (Harington, an actual descendant of Catesby). The cast also includes Liv Tyler, Peter Mullan, Mark Gatiss and Tom Cullen.

They won Oscars for their work on "La La Land" and Tonys for their score to Broadway's "Dear Evan Hansen." Now, the red-hot song-writing team of Benj Pasek and Justin Paul bring their stage musical adaptation of a favorite holiday movie to live TV. Seattle newcomer Andy Walken stars as Ralphie, with Maya Rudolph and Chris Diamantopoulos as his mom and dad. Jane Krakowski also stars as schoolteacher Miss Shields. Ana Gasteyer also has a featured role; Matthew Broderick narrates.

## SEARCH PARTY 9 p.m., 10 p.m. on TBS

Season 2 wraps things up with two new back-to-back episodes, starting with "Frenzy," which describes the gang's mood as they scramble desperately to get \$60,000 to their blackmailer by deadline. Then, in "Psychosis," the friends tie up loose ends, grimly realizing they may still go to jail at midnight. Their fates ultimately lie in Dori's (Alia Shawkat) hands, so, you know, God help them all. John Reynolds, Meredith Hagner and John Early also star.

### GOOD BEHAVIOR 9 p.m., 9:58 p.m. on TNT

Details are sparse about tonight's season finale, but there may be a clue (or "Clue") in the title: "Letty Raines, in the Mansion, With the Gun." The story finds Letty and Javier (Michelle Dockery, Juan Diego Botto) confronted with a mess Letty has made. They know they'll have to clean it up quickly if they don't want to wind up in prison. Ann Dowd and Terry Kinney also star.

# Prado gives up law for baking and 'Baked in Vermont'

Imagine giving up a successful law career and running a production company to become a fulltime baker. You'd have to be pretty passionate about all things related to butter, flour and eggs to make a change so drastic.

But that's exactly what Gesine Prado, host of the Saturday Food Network series "Baked in Vermont," did to pursue what she gradually realized was her first love. And she hasn't looked back.

"I've baked my entire life. There was not a moment that I didn't bake," Prado explains. "Like during college, during winter finals, I was making gingerbread houses instead of studying, and instead of studying for the bar, I baked. And I actually passed on the first go and I tried to convince people that baking was the key. ... And all those things should have been clues from the very beginning that my calling was, you know, everything other than what I was doing – it was the baking that was my calling."

In each 30-minute episode of her midday series, Prado walks viewers through the various steps in preparing the recipes that she herself developed, be it a Charlotte Royale chocolate cake with homemade caramels, a chocolate yule log, a turkey pot pie or a hearty pork pie with a big green salad.

All episodes are filmed at her 18th century farmhouse in Hartford, Vt., which is attached to the cooking school she runs, Sugar Glider Kitchen. The sister of actress Sandra Bullock, she's also an instructor for King Arthur Flour and Stonewall Kitchen, has written four baking cookbooks and a memoir and owned and operated a bakery in Montpelier, Vt.

Her goal is to take the mystery out of baking, debunk the common notion that it's too complicated for the average home cook to attempt and show them how to be a consistently competent

"We do several versions throughout of pie dough or flaky pastry dough and use it

for a myriad number of things because it isn't just for pies," Prado says. "And it's one of those things that people, either they get it or they don't or they think they don't. And they're like, 'Nah, I just can't do pie dough. It doesn't work out.'

"I know exactly why it's not working out," she continues. "I will tell you exactly why it's going wrong for you and give you every bit, every tip and trick and hack that will fix it for you and make it great every time."

#### What book are you currently reading?

"I am reading a book by a writer named Attica Locke called 'Bluebird, Bluebird,' And I've known her personally for years. I discovered her when I was in my other life running an entertainment company reading stuff, and I read her books and scripts and it's one of the few times that I was like shot out of my job and was just reading for joy."

### What did you have for dinner last night?

"We did a sous-vide wild salmon and ... a faro and micro-green salad and a vinaigrette."

"I am working on a book on cakes - surprise, surprise. It's about fantastical cakes using my knowledge as a pastry chef to kind of guide bakers of all knowledge or no knowledge in making fantastic or

#### When was your last vacation, where and why?

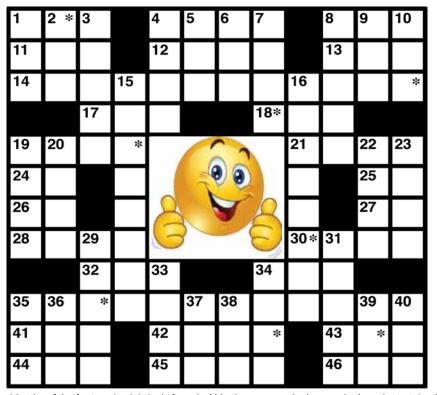

"It wasn't a long one but it was for my husband's 50th birthday in September and we went to Quebec o Manoir Hovey ... . It's on Lake Massawippi – and I just like saying 'Lake Massawippi' – and it's a fantastic food destination. So it's this old bit of a manse right on the lake and then they do fantastic meals. So we just sat and ate for days. ... It was fantastic.
