SUPERNATURAL 7 p.m. on KDAF

The realization of Jack's (Alexander Calvert) abilities causes alarm for Sam and Dean (Jared Padalecki, Jensen Ackles) in the new episode "The Rising Son." Donatello's (guest star Keith Szarabaika) visit does little to lessen their concerns. A new enemy, Asmodeus (guest star Jeffrey Vincent Parise), takes a major interest in Jack. (N) HD CC

THE GOOD PLACE 7:30 p.m. on KXAS

It's a matter of ethics for Chidi and Eleanor (William Jackson Harper, Kristen Bell) in the new episode "The Trolley Problem," and their efforts to handle it generate a problem for them with Michael (Ted Danson). Tahani (Jameela Jamil) tells Janet (D'Arcv Carden) a secret she's been keeping. Manny Jacinto also stars. (N)

CHICAGO FIRE 9 p.m. on KXAS

Series regular Monica Raymund gets a showcase in the new episode "A Breaking Point," as her character Dawson must fend for herself when she's caught in a parking-garage collapse — with none of her firehouse colleagues aware of where she is. She tries to help the injured while seeking an exit route. Casey (Jesse Spencer) feels the pressure of extra duties. Kidd (Miranda Rae Mayo) develops doubts about Hope (guest star Eloise Mumford). CRAZY EX-GIRLFRIEND 7 p.m. on KDAF

If it's risky to jilt someone at the altar, it's downright foolhardy to do it to Rebecca (Rachel Bloom), as spelled out by the title of this third-season opener: "Josh's Ex-Girlfriend Wants Revenge." She's determined to even the score with Josh (Vincent Rodriguez III), but the fact that he left her to become a priest may complicate things. Paula and Scott (Donna Lynne Champlin, guest star Steve Monroe) hit a marital snag. Bloom and fellow executive producer Aline Brosh McKenna wrote the story. (Season Premiere) (N) HD CC

ACTIVE SHOOTER: AMERICA UNDER FIRE

8 p.m., 10:45 p.m. on SHOW

The documentary series continues its exploration of America's pandemic of mass shootings with an episode devoted to a horrifying June 2015 incident in which avowed white supremacist Dylann Roof walked into a prayer service at Emanuel African Methodist Episcopal Church in downtown Charleston, S.C., and killed nine people, including the senior pastor and a state senator. When he later confessed to the murders, he said he had hoped to incite a race war. (N) CC

Z NATION

8 p.m., 11 p.m. on SYFY

After Sun Mei and Red (Sydney Viengluang, Natalie Jongjaroenlarp) abruptly disappear without explanation, 10K (Nat Zang) and his fellow heroes are confronted with a difficult yet crucial decision: Do they abandon their friends and continue on their journey to Newmerica or mount a search for the two women, knowing that it could prove to be a time-wasting wild goose chase. Russell Hodgkinson and Kellita Smith also star. (N) CC

Pharaoh plays Floyd Mooney, whose accelerating career challenges him to find a way to stay true to himself while also picking jobs that will help make him "white famous." Hit the road to dine on the unusual, the exotic and the comfortable

With the summer in our rear-view mirror and fall in full splendor, you may be thinking about taking a trip. A few shows on basic cable this week have a few suggestions where to go for the foodie who likes to roam.

Sunday, Oct. 15, on Cooking Channel, "The Best Thing I Ever Ate" heads to Dallas to showcase some of the best Texas dangerous city in the midst of a Renaissance, to check out cuisine the city has to offer, including the barbecued brisket, the fried chicken, a pecan ball and a classic fruitcake.

Barbecue is also what's on the menu in Louisville, Ky., in the Tuesday, Oct. 17, episode of Cooking's "Big Bad BBO Brawl," where host Shannon Ambrosio challenges a local pitmaster to a bourbon and bacon brawl, tasking the rival crew to make it in the style of a pizza. The results here have

to sample a lager-marinated pork knuckle, mushroom soup and lots of dumplings. European comfort food at its finest. If your tastes run to the even more exotic, the Sunday

episode of CNN's "Anthony Bourdain: Parts Unknown' takes the well-traveled host to Lagos, Nigeria, a oncethe culture, music and, of course, the cuisine, which is very beef-centric. There is also the ubiquitous local specialty, the

For French cuisine, there is the Saturday, Oct. 21 (check local listings), installment of PBS' "Moveable Feast With Fine Cooking," which finds host Pete Evans in Cadenet, France, to see how the fleur de sel, a coveted salt used as a flavoring on French food, is harvested from seawater.

Those who prefer their dining well after dark will want to check out the Thursday, Oct. 19, episode of Cooking's "Late Night Eats," where host Jordan Andino heads to Vancouver, British Columbia, to check out several after-hours hotspots.

Josh Denny is in a Halloween mood in a themed episode of Food Network's "Ginormous Food" on Friday, Oct. 20, where he chows down on a 16-inch skull-shaped bowl of seafood, pasta and rice in New York City; and takes on the Super-Stack Maniac sandwich in Atlanta, a colossal dish that consists of burger patties, Texas toast, American cheese, fried eggs and bacon. Pass the cholesterol medication, please.

And Roger Mooking is literally all over the place in the Wednesday, Oct. 18, edition of Cooking's "Man's Greatest Food," as he heads to New York, Chicago and the West Coast in search of the country's best pizza. Not bad work if you can get it.
