#### **TERRENCE HOWARD'S** FRIGHT CLUB 7 p.m. on KDFW

Terrence Howard has participated with fellow "Empire" star Taraji P. Henson in past specials, but in doing one on his own with this new offering, he definitely goes a different way. The hour basically amounts to a giant practical joke, as a number of his fans are invited to his estate in New Orleans. He uses the occasion to prank them, repeatedly, from "his secret control room" - which makes one wonder if someone has taken the "Austin Powers" movies a bit too seriously.

#### **RED NOSE DAY** 9 p.m. on KXAS

The fourth annual American edition of the humor-leaning fundraising event — focusing its proceeds on initiatives that benefit the safety and health of children around the world again features host Chris Hardwick and numerous celebrities. The concept was devised by filmmaker Richard Curtis, who used last year's version to reunite many cast members of his popular 2003 movie "Love Actually" in a mini-sequel. Watch for many other stars to take part in sketches here.

## **ONCE UPON A** TIME

7 p.m. on WFAA

The fantasy-drama series ends its seven-season run with the appropriately titled "Leaving Storybrooke," which should indicate the fates of characters who have been with the saga from its start, as well as more recent additions. Of course, it helps to remember that on this show, nothing necessarily lasts forever — though it appears, at least for now, that its cancellation will. Former cast members Jennifer Morrison, Ginnifer Goodwin, Josh Dallas and Emilie de Ravin return for the finale. Alison Fernandez, Dania Ramirez and Andrew J. West also star.

#### **HAWAII FIVE-0** 8 p.m. on KTVT

The Russians are coming ... and it's not a movie title but the fact in the case of "Waiho wale kahiko" (Hawaiian for "Ancients Exposed"), the crimedrama reboot's Season 8 finale. A foreign submarine turns up near Waikiki, alerting McGarrett (Alex O'Loughlin) and the team to the presence of an overseas-originated spy operation in Oahu. Tani (Meaghan Rath) is unsettled by her discovery regarding Adam (Ian Anthony Dale). Costas Mandylor guest stars. Scott Caan, Chi McBride, Jorge Garcia and Beulah Koale

## **RELLIK** 9 p.m., 10:01 p.m., 1 a.m. on CINE

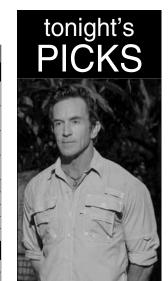

This unconventional crime thriller reaches its conclusion by returning to the beginning, since its storytelling format has fol-lowed a crime backwards, from the end to the very start. As the action picks up, the truth finally is pieced together, so the hunt is on for the killer. Richard Dormer, Jodi Balfour, Ray Stevenson, Paterson Joseph, Shannon Tarbet and Kieran Bew star.

### SURVIVOR 7 p.m. on KTVT

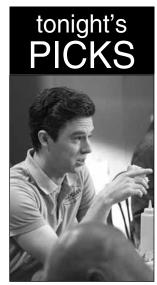

The "Ghost Island" round of the competition has had its own unique twists, but it's still been a season of traditional outwitting, outlasting and outplaying for the contestants trying to avoid having their torches put out. The ultimate survivor of the show's 36th edition — and latest winner of \$1 million — is determined in this two-hour finale, with all of the players then gathering again for the "Reunion Special" immediately afterward. Jeff Probst is the host.

#### **STAR**

#### 8 p.m. on KDFW

Will Take 3 continue to exist? The group's fate is up in the air in the drama's Season 2 finale, "Thirty Days to Famous." Noah (Luke James) lets his substance abuse threaten his relationships. Simone and Angel (Brittany O'Grady, guest star Evan Ross) find their connection put to a major test. Carlotta and Cassie (Queen Latifah, guest star Brandy Norwood) reach a crossroads. Keke Palmer also guest stars. Benjamin Bratt, Jude Demorest, Ryan Destiny and Amiyah Scott also star.

## THE MIDDLE 7:30 p.m. on WFAA

As this sitcom ends its nineseason run with the aptly titled hour-long finale "A Heck of a Ride," a new chapter begins for the family at the heart of the show. With Axl (Charlie McDermott) starting a new job in Denver, the rest of his clan makes a trip there with him — and the high emotion they feel in leaving him is likely to be shared by fans of this series. Patricia Heaton, Neil Flynn, Eden Sher and Atticus Shaffer also star.

## **THE 100** 8 p.m. on KDAF

Clarke and Bellamy (Eliza Taylor, Bob Morley) don't think it's a good idea, but Octavia (Marie Avgeropoulos) guides her followers toward Shallow Valley in the new episode "Shifting Sands." Kane and Abby (Henry Ian Cusick, Paige Turco) have other immediate concerns. Lindsey Morgan, Richard Harmon, Chris Larkin and Tasya Teles also star.

#### FOR THE PEOPLE 9 p.m. on WFAA

Memories of a troublesome case arise for Sandra (Britt Robertson) as the law drama ends its season with "This is what I wanted to say." As she represents an alleged spy for the Chinese government, her effectiveness is in doubt as she connects it in her mind to the earlier situation. Jav (Wesam Keesh) opposes Kate (Susannah Flood0 in the trial of a PTA president who supposedly supplied students with drugs. Ben Rappaport, Ben Shenkman and Hope Davis also star.

## **PATRICK MELROSE** 8 p.m., 12:40 a.m. on Young actor Sebastian

As befits a royal wedding,

Maltz takes over the role of Patrick at age 9 in the new episode "Never Mind," which finds the boy enjoying the run of the family's magical estate in the South of France. An occasional pall falls, however, when Patrick's autocratic father, David (Hugo Weaving), loses his temper, which explains why his wife, Eleanor (Jennifer Jason Leigh), seeks refuge in booze and pills.

## BLACK LOVE

#### 9 p.m., 12 a.m. on OWN

For the new episode "Getting Down the Aisle," which explores the question of how someone can tell when he or she meets the right significant other - aka "the one" - filmmakers Codie and Tommy Oliver welcome such couples as NBA All-Star Grant Hill and his wife, Canadian singer-songwriter Tamia; Rev Run of Run-DMC and his wife, Justine Simmons; and former NBA running back Eddie George and his wife, Taj, of the R&B group SWV.

**ROYAL ROMANCE:** THE MARRIAGE OF PRINCE HARRY **AND MEGHAN** MARKLE 7 p.m. on KTVT this two-hour special compiles highlights of events earlier in the day that surrounded the vows taken by Prince Harry and Meghan Markle in (of course) London. Expect to hear commentary by Gayle King ("CBS This Morning") and Kevin Frazier ("Entertainment Tonight"), who co-anchored CBS' coverage of the event, along with remarks from so-called "royal watchers" about the pageantry of the occasion and the potential effect of the marriage on England's first family. \*\*\* The Social Network (2010) | \*\*\* Salt (2010, Action) Angelina Jolie, Liev Schreiber. @ \*\* Transporter 2 (2005, Action) Jason Statham, Amber Valletta.

2018 MISS USA 7 p.m. on KDFW

Since they've been rivals in a competition — namely, "Dancing With the Stars" — Vanessa and Nick Lachey likely are much more comfortable presiding over one. The spouses serve as hosts of this event at the Hirsch Memorial Coliseum in Shreveport-Bossier, La., and Vanessa brings personal experience to the job: She was Miss Teen USA 1998. Carson Kressley and Lu Sierra.

#### IZOMBIE 8 p.m. on KDAF

Using her own brain rather than someone else's, Liv (Rose McIver) finds herself stunned by Major's (Robert Buckley) actions in the new episode "You've Got to Hide Your Liv Away." Ravi and Clive (Rahul Kohli, Malcolm Goodwin) become partners on a case.

#### ELEMENTARY 9 p.m. on KTVT

As she and Holmes (Jonny Lee Miller) work the case, Watson (Lucy Liu) is so shaken by the murder of her former therapist, she considers making some big changes to her life in the new episode "Our Time Is Up." The investigation gives Watson access to files kept on her by the psychologist, which only does more to fuel her consideration of switching paths. The guest cast includes "The Wire" veteran Reg E. Cathey, in one of the last roles he filmed before his passing.

## **BROOKLYN NINE-**NINE

7:30 p.m. on KDFW

Wedding bells ring — hopefully — as the comedy's fifth season concludes with "Jake & Amy," centered around the nuptials of those two characters (played by Andy Samberg and Melissa Fumero). Unexpected circumstances could derail the ceremony. Holt (Andre Braugher) hesitates to find out if he's been named the new police commissioner. Rosa (Stephanie Beatriz) may get a new romantic interest (guest star Gina Rodriguez, "Jane the Virgin"). Terry Crews and Chelsea Peretti also star.

#### **GOOD WITCH** 8 p.m. on HALL

Cassie and Sam (Catherine Bell, James Denton) take their kids (Bailee Madison, Rhys Matthew Bond) to the lake house, where they hope the young people's tensions may resolve themselves in the new episode "Family Time." Grace faces a tough decision, though, when Nick gets in trouble and she must decide whether to save him or rat him out to Cassie and Sam. Meanwhile, Abigail (Sarah Power) discovers running Grey House isn't as easy as Cassie makes it look.

#### **TRUST** 9 p.m., 10:13 p.m., 12:37 a.m. on FX

In the penultimate episode of Season 1, "White Car in a Snowstorm," a new development that comes totally out of left field motivates Gail (Hilary Swank) to make a trip to London. Emmy nominee Susanna White ("Bleak House") directed this episode. Donald Sutherland, Harris Dickinson and Brendan Fraser also star.

# Pressure forges bonds among competitors on 'Iron Chef America'

As a floor reporter and one-time competitor on Food Network's "Iron Chef America," chef Jet Tila is uniquely qualified to relay how it feels to perform in the pressure-packed confines of Kitchen Stadium – and to help the contestants cope.

"Before every show," the Los Angelesbased chef, restaurateur, consultant and cookbook author says, "I would make it a point to say hello to every chef, every sous chef and just say, 'Hey, this is who I am. You're gonna be great. I've been here before. Have a good time.' ... Because the problem is you will worry to the point where you're not going to focus on your

food, because there are so many other things happening at the same time."

As the venerable competition series returns with the first of 10 episodes on Sunday, May 20, Tila joins host Alton Brown and the Chairman (Marc Dacascos) to comment on the action as up-and-coming chefs square off with elite Iron Chefs in turning secret ingredients into extraordinary creations, with the final products being evaluated by two

In Wednesday's opener, Richmond, Va., chef Brittany Anderson vies with Iron Chef Alex Guarnaschelli, with

> Antonia Lofaso and Simon Majumdar presiding as judges.

As for his own experience on "Iron Chef America," Tila recalls his appearance in 2009 competing with and eventually losing to Iron Chef Masaharu Morimoto as nerve-wracking. But on the plus side, he says that

quickly, as did happen between him and

"We are all united by what we do," Tila explains, "but to actually spend time in the arena together brings you actually even closer. And it's kind of one of those things like, 'Hey, great battle.' You exchange your numbers, you exchange emails and then when you visit each other's businesses, each other's restaurant kind of pressure forges bonds You know I've made friends for life.

"Alton and I are very close," he continues. "We have matching tattoos, for God's sake. You know, colleagues became really great friends. So I think that's another fun thing to watch, is the evolution of: You're my opponent, and then by the end of this hour, you usually end up being my friend and sometimes even better than just a good friend. There are so many layers of this show that are amazing for a chef, hopefully maybe I can help bring that out."

# **Nobody Delivers Digital Marketing** Like We Do.

We connect businesses with the people who matter most - their customers.

ThriveHive is a one-stop shop for all your online marketing services. We help our customers improve their bottom line by providing cutting-edge digital solutions and industry best practices.

With a full array of online marketing solutions, we can create the perfect mix suited to boost your business.

Some of our services include:

- Responsive Website Design Reputation Management
- Social Media Management OnTarget Display
