MY LAST DAYS 7 p.m. on KDAF

Having first done this miniseries last summer, "Jane the Virgin" co-star Justin Baldoni turns out a new edition with "Marinda & Anthony," the premiere of the documentary's three-part second season. He's the executive producer and director as well as the host, as he profiles several people who are dealing with terminal illnesses. Each does so in his or her particular way, but they all send the message that a limited time can be filled with rich and deeply meaningful experiences.

GREAT PERFORMANCES 8 p.m. on KERA

New York's Metropolitan Opera is "The Opera House" in Susan Froemke's ("Grey Gardens") new documentary about the institution that has yielded some of the greatest stage performances in modern entertainment. Legendary soprano Leontyne Price, "Met" general manager Rudolf Bing and director Franco Zeffirelli are among those featured in the saga of the company's move to a new home at Lincoln Center in the mid-1960s. Of course, scenes from some of the productions mounted there also are included.

BLUE BLOODS 9 p.m. on KTVT

The supposedly drug-related death of a basketball star prompts a probe by Danny and Baez (Donnie Wahlberg, Marisa Ramirez) in "Brushed Off." Erin (Bridget Moynahan) wonders if she convicted someone wrongfully years earlier. Archbishop Kearns (returning guest star Stacy Keach) asks Frank (Tom Selleck) to intervene in an eviction case that involves Jamie (Will Estes). Mimi Rogers, who worked with Selleck earlier on "Magnum, p.i." and a "Jesse Stone" movie, also guest stars.

AMERICAN NINJA WARRIOR 7 p.m. on KXAS

With the "Dallas City Qualifiers," this competition begins a new season as entrants some of whom are returnees from earlier editions - tackle a multi-stage obstacle course based on a Japanese premise. The program travels to other locations to gather finalists in each place, leading to a championship contest in Las Vegas that will award the winner \$1 million and the American Ninja Warrior title. Matt Iseman and Akbar Gbajabiamila are the hosts, with Kristine Leahy as co-host.

THE ORIGINALS 8 p.m. on KDAF

Series co-star Charles Michael Davis — alias the show's Marcel — gets a turn in the director's chair with the new episode "What, Will, I, Have, Left." Hope (Danielle Rose Russell) tries to reverse the trouble for which she's responsible by trying to retrieve Hayley (Phoebe Tonkin). Worried about Hope's plan, Klaus (Joseph Morgan) seeks assistance from Caroline (guest star Candice King). Declan (guest star Torrance Coombs) is at the center of a debate between Vincent and Freya (Yusuf Gatewood, Riley Voelkel). Daniel Gillies also stars.

tonight's PICKS

AMERICA'S GOT TALENT 7 p.m. on KXAS

Who will get the Golden Buzzer? Time will tell which acts impress the judges that much, as the talent competition begins its 13th season with "Auditions." As usual, acts representing a wide range of skills will take the stage as Simon Cowell. Mel B. Heidi Klum and Howie Mandel weigh in with their impressions following each performance. The last winner was a young singing ventriloquist, so anything can happen here. Tyra Banks is back as the show's host.

LOVE CONNECTION 8 p.m. on KDFW

Andy Cohen continues as host of this revival of the dating show, starting its second season here. In each hour, a man or a woman is sent on three blind dates, then joins Cohen in front of a studio audience to detail what happened. More is at stake than love, since if the audience correctly guesses which potential love match the person made, he or she gets \$10,000. The individual also is likely to reveal more than intended, since Cohen's questioning has a way of yielding that.

WORLD OF DANCE 9 p.m. on KXAS

The title is literal in the case of this contest - starting its second season here - since the winners of its freshman round were French, and that's merely one example of the international talents vying for the \$1 million grand prize. Jennifer Lopez (also an executive producer of the show), Derek Hough and Ne-Yo comprise the judging panel again as "The Qualifiers" begin, with Jenna Dewan back as the host and dancers' mentor. Some Season 1 competitors will get to have another try.

RANSOM 7 p.m. on KTVT

Eric (Luke Roberts) has participated in the rescues of so many kidnapping victims by now, it's hard to believe that he'd be an accomplice in an abduction — but that's the suspicion in the new episode "Anatomy of a Lost Cause." The murder of a hostage makes him doubt his skills and, worse yet, leaves him charged as an alleged conspirator. Sarah Greene, Brandon Jay McLaren and Nazneen Contractor also star.

PATRICK MELROSE 8 p.m., 10:50 p.m. on SHOW

A cleaned-up but worldweary Patrick (Benedict Cumberbatch) joins his chum Johnny Hall (Prasanna Puwanarajah) to attend his first social event since his recovery, a posh ball in the English countryside hosted by Bridget (Holliday Grainger), a former hippie, now married and miserable. Patrick isn't especially happy to be confronting these ghosts of his former dissolute lifestyle, but now he's armed with a newly won outspoken candor in the new episode "Some Hope." Harriet Walter also stars.

THE TALE

9 p.m., 1:30 a.m. on HBO Writer-director Jennifer Fox drew on her own experience for this new drama about childhood sexual abuse that premiered at the 2018 Sundance Film Festival. Laura Dern stars as Jennifer, an acclaimed documentary filmmaker, who fondly recalls times spent with her riding instructor (Elizabeth Debicki) and her running coach (Jason Ritter) at summer camp. As she delves into those experiences, though, what Jennifer discovers throws those memories into a new, highly disturbing focus. Ellen Burstyn and Frances Conroy also star.

THE BACHELORETTE 7 p.m. on WFAA

Though this franchise often claims to have its "most shocking twist ever," the recent "Bachelor" fate of Becca Kufrin - who got the final rose and a marriage proposal, only for said bachelor to decide later to pursue the runner-up again - met that qualification. It also set her up to become the person to do the choosing in this 14th round of the flip-side series, which starts in the traditional way as she meets those vying for her heart. As usual, host Chris Harrison guides the proceedings

VANDERPUMP RULES

8 p.m., 9 p.m., 10:30 p.m., 1:30 a.m. on BRAVO

For a new special episode called "Secrets Revealed." Lisa Vanderpump and several members of her cast join executive producer Andy Cohen for a provocative look back at Season 6, highlighted by previously unaired footage. Among the new revelations, Lisa finds out about Lala's financial arrangement with her wealthy boyfriend, and James sheds new light on his previous romance with Lala. Elsewhere, Schwartz and Sandoval have a secret meeting with Scheana's ex-husband

NATIONAL **MEMORIAL DAY** CONCERT

7 p.m., 8:30 p.m. on KERA

After missing last year's event for a good and very personal reason - the birth of a grandchild — Gary Sinise again joins longtime friend Joe Mantegna ("Criminal Minds") to host the annual tribute to veterans, presented from the West Lawn of the U.S. Capitol Building in Washington, D.C. Guest performers include recent Oscar winner Allison Janney, John Corbett, Charles Esten ("Nashville"), Brian Tee ("Chicago Med"), Graham Greene, singer Leona Lewis and Broadway's Cynthia Erivo, Megan Hilty and Alfie Boe. Gen. Colin Powell also participates again.

DECEPTION 8 p.m. on WFAA

The drama series ends its season with "Code Act/Transposition," a two-hour presentation combining back-to-back episodes. The Mystery Woman has her own bag of tricks at her disposal as she continues to baffle Cameron (Jack Cutmore-Scott) and his colleagues, even managing to out-trick him just when he thinks he has her cornered. Ilfenesh Hadera, Lenora Crichlow, Amaury Nolasco, Justin Chon, Laila Robins and Vinnie Jones also star.

TRUST

** The Matrix Revolutions (2003) Keanu Reeves. CC

9 p.m., 10:08 p.m., 12:24 a.m. on FX

The Getty family (Donald Sutherland, Hilary Swank, Michael Esper) and several individuals in Italy try to sort through and address the complicated repercussions of the kidnapping in a new episode called, aptly enough, "Conse-quences." Meanwhile, Chace (Brendan Fraser) strikes out on a new journey. Harris Dickinson also stars.

he continues. "They had a big the stops this go-round are smoker there, they had a huge pile of wood. Like they're legit, doing this on the weekends and people know about it. "This was pretty elaborate," via grill or smoker. Among Houston, to check out a custom-built trailer that can cook up to 600 pounds of meat at one time; Napa Valley, Calif., where locals cook large cuts of beef on a retrofitted asado cross; South Texas, to watch a massive smoker in action; and Southern California, to visit all manner of outdoor kitchens.

In Wednesday's opener, Mooking goes to San Antonio, to see how pumpkins are roasted directly on coals, then peeled, seeded and smashed into pieces to be used in a salad.

"That was really cool," Mooking says with a laugh. "We smashed these pumpkins with a shovel after we roasted them right on the coals on the ground and made a salad out of that - it was really, really good – with some (goat) cheese and some arugula and stuff. And very, very simple. The presentation was just fun and we got to smash some pumpkins."
