CRAZY EX-GIRLFRIEND 7 p.m. on KDAF

Though Paula (Donna Lynne Champlin) has tried to help in the campaign against Josh (Vincent Rodriguez III), Rebecca (Rachel Bloom) needs more, so she seeks Nathaniel's (Scott Michael Foster) assistance in the ironically titled new episode "To Josh, With Love." Meanwhile, Josh focuses on becoming a priest, and not without having second thoughts. Pete Gardner, David Hull, Vella Lovell and Gabrielle Ruiz also star.

JANE THE VIRGIN 8 p.m. on KDAF

Jane's (Gina Rodriguez) blossoming romance with Adam (guest star Tyler Posey) hits a major snag in the new "Chapter Sixty-Six," as he gets a job offer that could take him away. Rogelio (Jaime Camil) has problems not only on the work front, but also personally as Xo (Andrea Navedo) tries to help cover for his parental absences. Petra and Rafael (Yael Grobglas, Justin Baldoni) try to reclaim the hotel. Justina Machado guest stars. Ivonne Coll also stars.

TRACEY ULLMAN'S SHOW

10 p.m., 11:30 p.m. on HBO

That delinquent dame, Judi Dench, is still wreaking havoc and relying on her status as a national treasure to escape punishment as Emmy-winning actress and comedienne Tracey Ullman returns for Season 2. In other comedy sketches, a dinner at the home of Rupert Murdoch (guest star Ben Miller, "Death in Paradise") takes a dramatic turn, while German Chancellor Angela Merkel expresses her heartfelt loneliness in song. Samantha Spiro ("London Spy") and Colin Salmon ("Limitless") also guest star.

THE BLACKLIST 7 p.m. on KXAS

Liz (Megan Boone) and the Task Force find themselves on a major collision course with a rival unit from the CIA after Red (James Spader) provides some exclusive intel on an international terrorist in the new episode "Ilyas Surkov." Elsewhere, Tom (Ryan Eggold) goes undercover in pursuit of information.ion for their new business venture.

DYNASTY 8 p.m. on KDAF

Things may get a little "meta" in the new episode "Guilt Is for Insecure People," which takes place partly at a charity costume gala with an '80s theme — the "greed is good" decade when the original "Dynasty" series was in its heyday. Fallon (Elizabeth Gillies) clashes with Blake (Grant Show) for the right to use the family name on her new business venture.

DESIGNATED SURVIVOR

9 p.m. on WFAA

In a new episode called "Suckers," MI-6 Agent Damian Bennett (Ben Lawson) teams up with American counterpart FBI Agent Hannah Wells (Maggie Q) with the shared goal of solving a puzzling international murder. Meanwhile, an irritated President Kirkman (Kiefer Sutherland) has to work to win back the trust of the American public after a senator goes on a national news program and completely misrepresents a private conversation the two of them had.

THE MIDDLE 7 p.m. on WFAA

With the witching season upon them, Frankie (Patricia Heaton) discovers that nearly 50 years ago, a woman died in a bathtub of the Heck residence in the new "Halloween VIII: Orson Murder Mystery." That revelation soon leads to her and Brick's (Atticus Shaffer) unshakable conviction that the lady was murdered and, much to Mike's (Neil Flynn) dismay, they set out to find the killer. Sue (Eden Sher), meanwhile, plays "third wheel" as Axel and Lexie (Charlie McDermott, Daniela Bobadilla) seek some alone time.

THIS IS US 8 p.m. on KXAS

While Jack (Milo Ventimiglia) is away with his sons on a camping excursion, Rebecca (Mandy Moore) has to cope with a surprise — and not necessarily a pleasant one - on her own in the new episode "Brothers." The adult Kevin and Randall (Justin Hartley, Sterling K. Brown) go to a charity event together. Kate (Chrissy Metz) pays Toby (Chris Sullivan) an unexpected visit at his workplace. Susan Kelechi Watson also stars.

LAW & ORDER TRUE CRIME: THE MENENDEZ MURDERS

9:01 p.m. on KXAS

Even before the trial begins, Judge Stanley Weisberg (Anthony Edwards) takes a step that brings a heightened level of public scrutiny to the courtroom proceedings by granting a petition to have them televised in the new "Episode 5." Dr. Oziel (Josh Charles), the star witness for the prosecution, is dismayed to see his credibility collapse under the weight of his own shady motives and ethics. The defense, however, faces an uphill struggle to get the judge to grasp the relevance of the brothers' upbringing.

THE WATCHER IN THE WOODS

7 p.m., 11:02 p.m. on LIFE

In this remake of a 1980 thriller starring Bette Davis, Anjelica Huston takes over the role of Mrs. Aylwood, who rents out her manor house in the idyllic British countryside to Jan Carstairs (Tallulah Evans) and her family for the summer. The home is charming, but the woods surrounding it have a sinister air about them, which only grows stronger after Mrs. Aylwood notes how much Jan resembles her daughter, Karen, who disappeared 20 years ago. Melissa Joan Hart directed this new ver-

DIRK GENTLY'S HOLISTIC DETECTIVE **AGENCY**

8 p.m., 4 a.m. on BBCA

Following a happy reunion, Dirk, Todd and Farah (Samuel Barnett, Elijah Wood, Jade Eshete) waste no time in diving headfirst into investigating their case - or at least, what Dirk believes is the case, in the new episode "Fans of Wet Circles." After following some bizarre clues, they discover the body in the car that fell out of the tree has a connection to one of Sheriff Hobbs' (Tyler Labine) cold cases, this one concerning a couple and their son, all of whom are missing.

RELEASED

9 p.m., 12 a.m. on OWN

In the new episode "Ties That Bind," the day of Sam's release finally arrives, leaving him nervous to face a reunion with the wife and children who have waited more than a quarter of a century for him to return to them. Jermaine and Kay, meanwhile, are greeted by the chilly distrust of relatives who aren't ready to let go of their old resentments over the pair's past misdeeds. Elsewhere, Mike meets his parole officer and tries to get a driver's license.

SUPERGIRL 7 p.m. on KDAF

Helen Shaver returns in her recurring guest role as Eliza Danvers, who throws a wedding shower for daughter Alex (Chyler Leigh) and Maggie (guest star Florinda Lima) in the new episode "Far From the Tree." The occasion moves Maggie to attempt a reconciliation with her own estranged father (guest star Carlos Bernard). Meanwhile, Supergirl (Melissa Benoist) joins J'onn (David Harewell) on a mission of a personal nature.

THE GIFTED 8 p.m. on KDFW

After the mutants hatch a plan they hope will take down Sentinel Services, Eclipse (Sean Teale) reconnects with an old friend from his dark past in a bid to get some helpful information in the new episode "eXit strategy." Meanwhile Lauren and Andy (Natalie Alyn Lind, Percy Hynes White) experiment with combining their powers to make a greater contribution to the group.

GOOD WITCH: SPELLBOUND 7 p.m. on HALL

This spooky (and thus Hallow-een-appropriate) new TV movie opens with the unearthing of a long-forgotten prophecy in the basement of Middleton City Hall, which is viewed as a mere curiosity at first. Then, when predicted events actually start to materialize, the locals start to worry that these are harbingers of a horrible curse that will change all their lives for the worse, perhaps permanently. Cassie (Catherine Bell) thinks she and Sam (James Denton) may hold the key to saving their town, however.

THE WALKING DEAD 8 p.m., 11 p.m., 12:36 a.m., 3:35 a.m. on AMC

During the course of Season 7, Rick Grimes (Andrew Lincoln) eventually abandoned his attempts to negotiate with Negan (Jeffrey Dean Morgan) when it became glaringly obvious this latest nemesis was a raging megalomaniac who was beyond reason. As Season 8 opens, tick has begun rallying neighboring communities for a high-stakes uprising against Negan and his Saviors, assisted by Maggie and King Ezekiel (Lauren Cohan, Khary Payton).

TEN DAYS IN THE VALLEY 9 p.m. on WFAA

In the new episode "Day 4: Below the Line," Jane (Kyra Sedgwick) lets her stubborn conviction that Pete (Kick Gurry) kidnapped Lake (Abigail Pniowsky) steer her down a dark path that ultimately puts both mother and child in danger. Meanwhile, Detective Bird (Adewale Akinnuoye-Agbaje) begins to unravel the complex tangle of Jane's lies while he pursues his own investigation into Lake's disappearance. Missy Peregrym guest stars; Erika Christensen, Josh Randall and Malcolm Jamal-Warner also star.

Sedaris delivers a wink and a nod to homemaking shows of yore on truTV's 'At Home'

At different times in her life, Amy Sedaris has been an actress, comedian, cookbook author, expert crafter, waitress and owner/operator of a cupcake business. So it would seem a natural that she would create a TV series that would marry her comedic and homemaking skills in a unique new show starting this week on truTV.

In "At Home With Amy Sedaris," premiering Tuesday, Oct. 24, the former co-creator and co-star of of the cult comedy series "Strangers With Candy" offers up segments and it was really boring. And it was black and white and and tips that showcase her diverse homemaking skills, ranging from gutting a fish and making raisin necklaces to cooking without pots and pans and entertaining businessmen, all with tongue firmly in cheek. Each episode will have a theme – such as entertaining the grieving or the craft of lovemaking – and guest stars including Stephen Colbert, Jane Krakowski, Rachel Dratch, Scott Adsit, Sasheer Zamata and Heather Lawless will play either themselves or characters helping out.

A clip made available to journalists gives a good idea of what to expect. In it, Sedaris and guest star Krakowski are working on a crafting project, and when the topic of what

glue to use comes up, they break out in song about how to choose the right adhesive for the job.

It's useful legitimate information delivered with a wink and a smile, and Sedaris says it comes from a lifetime of watching homemaking shows.

"When I was younger ... in North Carolina, there was a local show called 'At Home with Peggy Mann,' " she says. "And it was a woman who had a homemaking show, she would sit in a chair and the cord from her shirt to the cameraman would be attached, and she would talk about back sleeves and have really boring guests on her show. And I remember pointing to that show, the TV, with my mom, and saying, 'Oh, I am going to grow up and do that show.' So that's where the seed was planted.

"And I'm a very domestic person," she continues. "I always said, 'I want to do that TV show.' Then I decided to do a cookbook instead. Then I did a craft book, just trying to figure it out. And then when I came to meet with truTV, it was just time to do it. I felt like this stew had been brewing for all these years, and I think it's time now to see what it is."

It's simultaneously a send-up and an homage to shows like "The Galloping Gourmet," "Two Fat Ladies" and "Martha Stewart Living." And while Sedaris considers herself capable in the kitchen, she realizes she's no Martha Stewart.

In fact, not even close.

"It's just that her stuff looks so perfect and my stuff doesn't look perfect," Sedaris says. "It doesn't take away from her stuff is great, but it's also kind of intimidating. It's like, 'Really? Whose cupcakes are really going to look like that?' Or, 'Whose chicken is really going to come out of the oven looking like that?' And I just think mine is more realistic. That's all I'm saying.'
