# A CHARLIE BROWN CHRISTMAS 7 p.m. on WFAA

When Charlie Brown complains about the materialism he sees during the holidays, Lucy suggests he direct the Christmas pageant. He accepts, but it proves to be a frustrating struggle. When his attempt to restore the proper spirit with a forlorn little fir tree fails, he needs Linus' help to learn the real meaning of Christmas. The animated classic's memorable music score is by Vince Guaraldi. The hour also includes "Charlie Brown's Christmas Tales."

# THE WONDER-FUL WORLD OF DISNEY: MAGICAL HOLIDAY CEL-EBRATION

8 p.m. on WFAA Disney's American tourist resorts in California and Florida are the main settings for this new two-hour special, with two "Dancing With the Stars" participants — sometimes-judge Julianne Hough and Nick Lachey, who's been one of the latest season's contestants — as hosts. Jesse Palmer serves as co-host as the musical acts include Ciara, Darius Rucker, Fifth Harmony, Lea Michele ("The Mayor"), Jason Derulo and Hanson. Sequences from Disney parks around the world also are featured.

# FINDING SANTA 7 p.m. on HALL

Grace Long's (Jodie Sweetin) family has coordinated the traditional Christmas Eve parade in their small Connecticut town for three generations, ever since her grandparents conceived of the event. This year is Grace's turn, and the stakes are high, since a national morning TV show plans to broadcast the parade.

## DREAMWORKS TROLLS HOLIDAY 7:30 p.m. on KXAS

Many of the voice-cast members of the 2016 "Trolls" movie reprise their roles in this new sequel of sorts. Poppy — voiced again by Anna Kendrick — becomes determined to restore holidays to her world, and specifically to the Bergens, who don't have them. Justin Timberlake, Zooey Deschanel, James Corden, Kunal Nayyar ("The Big Bang Theory") and Christopher Mintz-Plasse also return vocally.

# GRAMMYS GREAT-EST STORIES: A 60TH ANNIVERSA-RY SPECIAL 8:01 p.m. on KTVT

Six decades' worth of Grammy Award history is condensed into this new two-hour special, encompassing such moments as key industry figures' collective mourning of the death of Whitney Houston — which occurred on the weekend of the Grammy ceremony in 2012 - and Paul Mc-Cartney's re-creation of the classic Beatles album "Abbey Road." McCartney, Aretha Franklin, Bruce Springsteen, Lady Gaga, Sting, Celine Dion, James Hetfield, Ed Sheeran, Elton John, Mary J. Blige, Keith Urban and Bruno Mars are among the many stars featured in new material. John Legend and Carrie Underwood host.

# CHRISTMAS IN ROCKEFELLER CENTER

7 p.m. on KXAS

The annual lighting of the holiday tree — this time, a Norway spruce from State College, Pa. — in the heart of New York is celebrated again in this special. Before that moment happens, those providing musical performances include Gwen Stefani, Pentatonix, Jennifer Nettles, Brett Eldredge, "Hamilton" Tony Award winner Leslie Odom Jr. and the Tenors. "Today's" Matt Lauer, Savannah Guthrie, Al Roker and Hoda Kotb are the hosts.

# BRUNO MARS: 24K MAGIC LIVE AT THE APOLLO 9 p.m. on KTVT

The Grammy-winning music superstar has been no stranger to television, but even after such occasions as well-received Super Bowl halftime appearances, he's never had a broadcastnetwork special to call his own ... until now. Recorded at the iconic New York showplace, the hour features Mars in typically energetic performances of his biggest tunes to date. He's not limited to that stage, though, since he and the members of his Hooligans band also hit the streets of the city.

**Waxahachie Daily Light** 

# **RUDOLPH THE RED-NOSED REIN-**DEER

7 p.m. on KTVT

The long-beloved "Animagic" tale of the most famous reindeer of all offers a thoughtful lesson about discrimination. Young Rudolph is teased by the other reindeer and excluded from their games because his nose is different. His taunters sing a different tune, though, when Rudolph uses the trait to keep Christmas from being canceled. Burl Ives supplies the voice of Sam the Snowman, who narrates the story and renders the title song (of course) plus "A Holly Jolly Christmas."

# **BLACKISH** 8 p.m. on WFAA

Dre (Anthony Anderson) starts to worry about Ruby (Jenifer Lewis) when she's duped, when it usually has been the other way around with her and other people, in "Elder. Scam." Diane (Marsai Martin) immediately gets a crush on Zoev's (Yara Shahidi) visiting friend (guest star Trevor Jackson). Laurence Fishburne, Marcus Scribner and Miles Brown also star.

# THE VICTORIA'S **SECRET FASHION SHOW**

9 p.m. on KTVT

The lingerie models have been going to exotic locations for some recent editions of this annual special, and that's certainly the case with this newest one that takes them to Shanghai. China. Seen walking the pink carpet before they take to the runway, the participants again include Lais Ribeiro (who wears the \$2 million Fantasy Bra), Adriana Lima, Alessandra Ambrosio, Candice Swanepoel, Lily Aldridge, Martha Hunt, and Taylor Hill. Performances by music superstars also are featured.

# THE CHRISTMAS TRAIN

7 p.m. on HALL HMM

Not to be confused with "The Polar Express," this new 2017 holiday drama stars Dermot Mulroney as disillusioned journalist Tom Langdon), who boards a train from Washington, D.C., to Los Angeles for Christmas. As he travels west, Tom chronicles the diverse and quirky fellow passengers he meets, including a film director (Danny Glover), his protegee (Kimberly Williams-Paisley) and a busybody (Joan Cusack) who's in the cabin directly across from Tom. This TV movie is simulcast on Hallmark Movies & Mysteries.

# THE STORY OF **SANTA CLAUS** 8 p.m. on KTVT

After a toymaker and his wife are evicted from their shop by landlords, they head to an orphanage to deliver their only remaining bag of toys. When they get lost in a storm, they find themselves at the North Pole, where they meet a group of elves. After saving an elf's life, Santa is allowed to make one wish. The elves then use all their magic to make his wish of giving every child a toy come true. Ed Asner and Betty White provide voices in this animated special.

# **CMA COUNTRY CHRISTMAS** 7 p.m. on WFAA

One element that clearly is new for the eighth annual edition of the Country Music Association's holiday special is its host: Reba McEntire, succeeding Jennifer Nettles, who had that role for the show's first seven years. Taped at Nashville's legendary Grand Ole Opry House, the two-hour program also features seasonal selections by Luke Bryan, Little Big Town, Lady Antebellum, Kelsea Ballerini, Brett Eldredge, Alan Jackson, Trisha Yearwood, Chris Young and gospel great CeCe Winans, among others.

## ANGRY ANGEL 8 p.m. on FREE

Allison Pyke (Brenda Song. "Dads"), a young New Yorker turned angel, is eager to begin her celestial life, but she can't seem to manage the process that will allow her to pass through the Pearly Gates. Further complications ensue when Patrick (Ricky Mabe, "Preacher"), the love of Allison's life, shows up in New York, a development that annoys her heavenly mentor (Jason Biggs) no end. Andrew Bachelor and Andy Favreau also star in Will Gluck's new 2017 Christmas fantasy

# YouTube's 'Koalipops' immortalizes fantasy characters in cake

The world of special forms cakes can be a funny

They're pastries, yes, but they're also works of art sculpted from cake and icing over many hours. So it has to be with at least a tinge of sadness that the baker who creates these does so knowing they will soon be sliced up and eaten, their hard work disappearing over the course of

Or so you would think

"I used to. I think it's so funny now," John Veloso, creator and host of the YouTube baking, cake decorating and costuming channel "Koalipops," says with a laugh. "I made Pennywise from 'It' and I take my (pastry) roller and I beat the crap out of it because I thought it was funny to kill a monster. I just think it's really interesting to create these things that look so real and you have to take a knife and it has to be done ... . Almost as soon as I finish making them, I cut into them and then I'm handing them out or I eat them, depending on what flavor cake it is."

What is your next project?

"Well, I really want to write a children's book. There's this story that was actually a dream that I turned into a story, and I think it would be really cool if instead of having drawings that were illustrated, I just baked a whole bunch of cookies and decorated them to be the characters. You know, that would be like the pictures of this story. I think that's probably the project that I want to go into next. I'm just not quite sure when it's going to be ready.'

In each 3-15 minute video, Veloso – who goes by "JK Denim" on his YouTube channel – creates cakes, cupcakes and cookies inspired by what he loves, which is usually comic book, science fiction or fantasy characters. A selftaught baker and designer, the Pasadena, Calif., resident posts one to three videos a week, making confections such as a "Pirates of the Caribbean" skull cake, "Beauty and the Beast" cookies, Grace Helbig brownies and a Hulk cake from the 2017 theatrical film "Thor: Ragnarok," which he fashioned from a green mint chocolate cake.

"Every time I make a cake that's a character, I automatically think about what I want to eat that week," Veloso says. "I mean, I knew he was green but I'm also a huge fan of mint chocolate chip ice cream, so I was like, 'OK, this kind of works and I'd love to eat this.'

And what he doesn't eat, he gives away, usually to his mother and her co-workers, but sometimes to total

"I go down to downtown," he says, "and I just hand them out to homeless because it's just really hard to watch a whole bunch of really good cake go to waste."

## When was your last vacation, where and why?

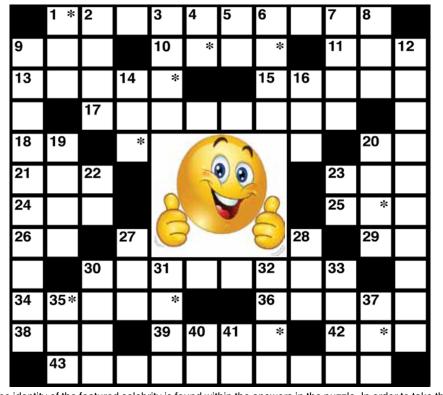

"Oh, Las Vegas. Living in California, I think it's like everybody's vacation. ... I actually take the six-hour drive. I love the drive to Vegas because I'm usually in the world of cake and when you drive to Vegas it's like I just blast Chris Stapleton and just drive and not think about anything
