Cutino Park Re-Opening

Saturday, August 24, 2019 from 11 AM - 2 PM

The City of Seaside is excited to announce the Grand Re-opening of Cutino Park! We are proud to invite our community to a ribbon cutting ceremony on Saturday, August 24, from 11 AM to 2 PM to celebrate the renovation of Seaside's 6.62 acre multi-use park located at the corner of San Pablo Avenue and Noche Buena Street, adjacent to the Boys and Girls Club.

The Cutino Park Improvement Project was designed for better community use, code compliance, and sustainability. After over three years of community input and project development, Seaside broke ground in November of 2018. Nine months of construction later, Seaside is proud to re-present Cutino Park to the community with a new multi-use turf field, Seaside's first skate park, upgraded restrooms, concession stands, storage facilities as well as ADA upgrades for pathways, entrances and viewing areas.

This is a free event open to the public that aims to showcase the versatility of the newly renovated park. There will be a community pick-up soccer game and softball game to launch the new turf field. On The Beach Surf Shop will be sponsoring a Skate Jam to celebrate Seaside's first skate park, starting at approximately 12 PM. There will also be food vendors on site and giveaways to commemorate the day.

The City of Seaside would like to thank all community members and stakeholders that participated in our design charrettes, community listening sessions, focus groups, and public meetings to make this park the most inclusive community space in the city.

More information about the Cutino Park Improvement Project can be found at bit.ly/Cutino
